Friend Mr. McLain

Dear Sir, The written seeing
to be more for you & Mr. Kirby than for
me & so I should suppose Mr. Perry
woud be known.

When your draft comes I can be sure
we shall be able to meet it -

You consider that we shall pay paper for
more than simple dict. - worth?

In the year 18 - & something by some - a
piece of N.Y. paper won't pay when the
man promises - you understand it, do

You talk about a steam trade Godon
around Cuba! Why not say around our
Southern ports, like a man. Cuba. Growth
when N.Y. Capital. You know we pay & Coppers can
get 1000 & 1500 per head in open market at any
of our Southern ports & protection at that. Forty
50 000 in Cuba - who goes to Cuba, & what
to land the goods & then send them across
the stream, in 20 ton cruisers - like?

Talk about Cuba. You N.Y. Owners
won't you - to please of all rogues by J.
& honest. John F. Kelly - to -
