My dear Mr. Everett.

Dear Sir.

My son is not at home
 today to say what he may do about making
 an answer of another paper but he is quite on
 such things I doubtless will
 Pray how many may we expect from your
 City & are they included in the same
 Label all happen to my care. The Office as
 it tends to some mistakes - Pray ship nothing
 late allowing only just time to get here & have
 receipts of bills of lading & accounts of goods to us for
 having them - Many are very strong and for
 shipping I think it best when they can afford it as
 the prices some make other quantities - A good one
 can be got here for a small party of 14 to 15
 & prices as cheap as any other on the Atlantic
 Every bed with a best blanket, a double bed
 mattress with 2 to 3 of the quality 2 1/2 I
 think are usually for - In all such matters
 there is no difference in price in our Atlantic City

Very truly yours, James Hill
