

Baltimore April 15/67

My dear Sir

Wm. A. Buchanan
of this City is going in a boat -
in the ship - then put his name
on the list - Mr. Melanx writes
that there will be no less than
twelve Lincoln Co. no 2 - for "Golden" -

You will no doubt remember
offering to get Christian into the
Bahama Institute for four years, four
of cost - I would be glad on
them terms to get one of Mrs Adams
Boys' entrance - He is 9 yrs of age - Can
you do it? She has another Boy
of 7 yrs whom she is anxious to get
taken care of in some manner or would
pay a small cost, annually to secure
what she wishes for him - I told Mrs
Adams I thought you might do the
thing - Hope you are better - Father is
