Sir

Your favor recd. -
I will receive & forward you packages
with pleasure - It is uncertain
when the "Colombo" will sail; nor to
what ports are to go on board at Charleston
and we are daily hoping to learn that
they will be ready to sail May 18th -

Some freight can be forwarded at
once; subjects, of course, to delays to
which we are ourselves subject -

If notified in time that ports are
ready I shall drop into the ship on
or about the 1st -

Yours truly
G. W. Hill
