

I enclose a letter for Lewis - will you have the goodness
to send it by the Sarah H. H. of the goods to that
gent, with which return it to me - I oblige Yours truly
Thos Bell
Con. Sept. 1868

I fear that I have transcended
your order so much that I will
say - I have no objection to having
No. 100 for my account - though
I could not help the circumstances
I could only procure them on these terms
