HARPER, CAPE PALMAS, Jan 9th 1891

Mr G. W. I. Hall, Acting
Custodian of the H. S. Fund

Dear Sir

By the providence of God, we have been brought to the close of another year's labor, in advancing the interest of the school, bearing the name of Dr James Hall who was instrumental in founding the same for the purpose of disseminating the knowledge of christianity and civilization in this distant land where it is greatly needed.

In order that you the Custodian, whose interest I presume is with ours, may obtain a perfect knowledge of the facts connected with the school, I forward you herewith the teacher's report for the term ending Dec 5th 1890, which gives all the necessary information relative to the state and condition of the school, with the exception of one item, viz.

When the school edifice was erected the walls were not sealed. In consequence of which, whenever there is rain, the wind
