

Colonization Road
Washington, D. C. Oct: 22. 1890

My Dear Sir

In reply to your valued
letter of yesterday allow me to state—
that enough members of the Executive
Committee to make a quorum failed
to put in an appearance at the Octo-
ber meeting; and that a full at-
tendance is hoped for next month,
when action on the Hall School
matter may be expected.

Yours truly,
Wm. Coppinger
