My dear Mr. Hall:-

I have yours of yesterday telling me it would suit you
to turn over the certificates this month.

Suit your own convenience and I shall be glad to attend
to it whenever you are ready.

Bishop Potter has returned and during the next ten days
several members of the Executive Committee will confer with him
about the future policy of the Society and I am hopeful that some
plan will be adopted which will be satisfactory to all of us.

Yours sincerely,

Reginald Fendall
