

Vandalia  
Off Cape Palmas  
10th Septem. '42.

Captain Ramsay presents to the Governor his kind wishes and is more than obliged by his attentions - Captain Ramsay is truly sorry that it should have been placed out of his power to visit the Colony at Palmas, but he feels no less an interest in its success -

Captain Ramsay is sorry that the Gov. did not allow him to know before the condition of his Quinquary as it would have afforded him great pleasure to have furnished the Colony any thing which the Ship possessed -

The Vandalia will be off at early light tomorrow in the hope to furnish the horrible creatures of Paraby -
