FOR SALE BY
C. W. COPPER, ROBERT MOFFETT,
mr22 T. C. HADAWAY,

$600 PER ACRE!

The farmers of near Chestertown, across the river, are awaking to the possibilities of the land for sweet potatoes. Buyers are paying now from 70 to 90 cents per hamper, which holds about a bushel, for this vegetable.

Mr. Charles Rolph, of Millington, has shipped 54 carloads or about 16,000 bushels of potatoes during the past season. These potatoes go as far West as Oklahoma.

Mr. Cooper Tarbutton has been paid about $650 for his crop. Mr. Knight, of near Crumpton, realized $560 off 2½ acres. L. C. Mcginniss, J. Smith and others have done well with this crop.

Col. S. A. Wallen says he realized about $400 per acre off 7 acres this year but a few years ago got $600 off one acre! He estimates the cost is about the same as for tomatoes.

PROGRESSIVES MEET.

The Bull Moose party held a meeting in the office of S. P. Townshend, Esq., in Chestertown Wednesday and named Mr. Bartus Trew as Chairman and Mr. William Walter Chapman secretary. The Constitution of the Progressive Party was read and approved, and it was the consensus of opinion that a full ticket be named in Kent this Fall. The following were elected delegates to the Convention to be held in Baltimore next Wednesday: S. P. Townshend, Bartus Trew, W. W. Chapman, S. C. Skinner; A. G. Chambers and Peter M. Hazzard, colored. The purpose of the Convention is to adopt a Constitution and by laws and other matters. It is hoped the "other matters" will be the payment of bills contracted last year.

TO HELP FARMERS.

John Walter Smith Succeeds in Getting an Appropriation of $100,000 for Stamping out Hog Cholera.

Senator John Walter Smith has succeeded in getting an appropriation of $100,000 for the stamping out of hog cholera.

"The ravages of hog cholera," said Senator Smith, are frightful in practically every section of the country. This is especially true of Maryland, where I have known thousands of fine hogs carried away and the profits of a farmer's whole year's work wiped out.

"It is not a question of now much money we ought to spend on this," added the Senator, "It is a question of how much money can be used by the department. If they want twice or three times the sum, I should be in favor of giving it to them, for I know from my own personal observation just what loss es our farmers have experienced."

Entertainment.—Remember the Supper and Entertainment to be given by the Town Improvement at Firemen's Hall, next week, March 27, 28, 29, supper on Thursday evening beginning at 5 o'clock. On Friday evening vaudeville and Chestertown orchestra to be given by some of our best home talent. On Saturday evening a play by home talent together with a picked quartette and violinist from Johns Hopkins Glee Club. Friday and Saturday afternoon a matinee beginning at three o'clock, admission 15 cents for matinee. Entertainments at night 35 cents. In connection with these entertainments and supper there will be a Bazaar where you will find for sale fancy articles, ice cream, cake and candy.

Owing to the death of Rev. Mr. Clew's four year old daughter there will be no services in the Presbyterian Churches of Kent on Sunday.

H. H. BENEMAN, the Millington merchant, has just gotten in a large, up-to-date line of men's and boys spring suits, ladies suits and waists, and children's dresses.

POTATO PLANTERS.

For farmers who wish to plant white potatoes this spring and do not care to purchase planter, sprayer, etc., we have arranged to furnish these implements at a nominal rental per acre; upon prompt application for same. address THE RICH NECK FARMERS CLUB, SEC., m15-3t Chestertown, Md.
