EASTER is here. Rejoice in a Risen Lord!

CANDIDATE FOR COMMISSIONER.

The friends of Mr. J. Henry Thompson in lower Kent have brought him out as a Candidate for Commissioner to succeed Mr. Chas. Wood. Mr. Thompson is well known to many voters. He has been living in Piney Neck for 8 years and attending strictly to his business of farming. He is as honest as the day is long, intelligent and a life-long Democrat. The NEWS recommends Mr. Thompson to the voters of Kent and predicts a successful campaign.

THE Centreville Observer says: "Dry Bill" Anderson "ain't got nuthin' on" William L. Marbury. The Anti-Saloon League Superintendent must look to his laurels as Champion Challenger of the State, for there is a new St. George in the field who promises to rest this honor from him. Mr. Marbury takes his first fling at United States Senator John Walter Smith—presuming, we suppose, that it is a generally accepted public fact that Isaac Lobe Straus is a Democrat and has always been considered one—by challenging him to come out in a public debate and let the people decide whether Marbury is the better Democrat or Smith the better Democrat.

Though the Observer is fighting in behalf of Hon. Isaac Lobe Straus, it regrets to see a man with any semblance of Democracy humiliated by such a challenge from a man who has such a manifestly Republican and thoroughly un-Democratic record as Marbury. And the challenge to decide which is the better Democrat! Had it been a challenge to decide which is the better Prohibitionist, the matter could not be more laughable.

HIS EYES OPENED.

W. L. Marbury opened his campaign in Centreville Tuesday for the seat in the United States Senate now held by Hon. John Walter Smith. Mr. Marbury apologizes for his OCCASIONAL DEMOCRACY by saying that *his eyes have just been opened!* Indeed. What opened them? The desire to be United States Senator? Well, usually one has to serve a probationery term before being put in charge of affairs. Therefore we'd advise Mr. Marbury to fight awhile in the ranks. It was only last year that he went abroad and only returned after all the campaign work had been done.

The charge against Mr. Marbury of opposition to the Democratic party and its candidates is *much broader* than the *politics of the city*, because it includes *every State ticket of the Democratic party* from 1883 to 1903, every one of which he opposed by Mr. Marbury.

His opposition includes also every legislative Ticket in the city and in the counties *for sessions of the General Assembly at which United States Senators were to be elected from* 1883 *to* 1903 *In point of fact, in* 1883 *and* 1885, *and in* 1889 *and* 1891, *and in* 1895 *and* 1897, *and in* 1899 *and* 1901 *Mr. Marbury spared no pains or efforts to elect Republican United States Senators from Maryland and to defeat Democratic United States Senators.*

Furthermore, in 1886 and 1896 and 1898 and 1900, and in other years, *Mr. Marbury advocated Republican Members of the National House of Representatives, and did his utmost to defeat Democratic Representatives from Maryland.*

Finally, in 1896 and 1899 and 1900 he declared himself in the extremest terms *against the National Democracy and Mr. Bryan, its Democratic Candidate for the Presidency; and in* 1908 *he gave no help to Mr. Bryan and possibly was with The Sun in favor of Taft and the Republican ticket.*

So it must be perfectly plain to everybody that the extent of Mr. Marbury's opposition to Democratic candidates and to the Democracy itself is *vastly wider than merely local affairs.*

More later.

Senator Smith Deserves Re-Election.

The latest from the political arena is a challenge from William L. Masbury, to United States Senator John Walter Smith for a joint debate on, "Which is the Better Democrat" Up to the present we have not learn whether or not Senator Smith will accept the challenge, but as the two gentlemen are candidates for the aame office United States Senator the Democratic voters will sit in judgment on this question next November.

We suppose these two men have different ideas in regards to what would constitute the best Democrat. We believe that the Democratic voters, generally, will decide, when the question is put up to them, that the man who is always on the firing line in every battle, *never shirking duty for any cause*, is the BEST DEMOCRAT." Such a Democrat is Senator Smith. Every Cecil county voter knows the work that has been done by Senator Smith, each and every campaign during the past twenty years. For hundreds of other reasons Senator Smith deserves re-election, and we believe the Democartic voters in Cecil county, will give him a big plurality next November over all opponents.—A Cecil Democrat.

PUBLIC SALE OF PERSONAL PROPERTY!

Fine Blooded Horses, Cattle, Sheep, Etc.

Having sold my farm "Galloway," and intending to discontinue farming, I will sell, on the farm, NEAR EASTON, MD., my entire lot of Personal Property, on

TUESDAY, APRIL 1st, 1913,

comprising entire outfit of Farming Implements, all of which were bought new. It is all in good condition. Also my entire lot of Live Stock, viz —Stallions, Brood Mares, and Young Horses and colts, every one standard bred and registered or entitled to be registered. Also six fine Young Mules, all young- 7 and 8 years old; Work Horses, 14 Cattle, 23 sheep, and a fine lot of Shoats; one lot of fine Hay, part of which is baled; Farming Implements, consisting 1 cart; 1 McCormick binder, 8 foot, with truck in front; 3 farm wagons with hay racks. 1 Osborne mow- 1 hay loader: 1 Ontario drill, 11 tines; 1 cutaway harrow; 1 Iron roller; 1 Osborne hay rake; 1 spring drag; three 40 Oliver plows; one 19 Oliver plow; 1 clover seeder 1 Blackhawk corn planter with 120 rods of wire; shovels, forks; 1lot of work harness, both chain and leather; in fact, everything needed on a farm which are too numerous to mention.

Standard Bred Stallions

I will also sell my entire stock of standard bred stallfons, brood mares, and colts, including weanlings, yearlings, 2, 3, 4 year old colts and fillies, which I invite the most critical breeders and lovers of extremely high bred horses to examine, and I think that they will admit that here is an opportunity to buy as good as they have ever known to be bred on any farm in Maryland, viz., headed by the great speed and beauty sire,

No. 1 --ANDREW M., (registered No. 30850), sire of 14 in list; sired by the great Allerton, 2.09¼, sire of over 200 in the list; first dam is Mary Marshall, 2.12¼, dam of Nathan Straus, 2.01, and 2 others.

No. 2 —The extremely fast standard bred and registered stallion, ANDY MACK No. 47007, record 2.21¼, trial in 2.10. I believe Andy Mack is strictly sound. He has trotted a mile in 2.10 and I firmly believe he will trot in 2.19 this year if given an opportunity. He is 16 hands high, sired by Andrew M. (No. 1); first dam, Lizzie Mack, 2.24, by Nutwood, 2.18. She is als the dam of 3 in the 2.30 list. Sure foal getter, and when through racing will make a great sire.

No. 3.—GALLOWAY, the beautiful chestnut, standard bred stallion, foaled 1909; tired by Andrew M.(No. 1); first dam, Francis B., record 2.10¼ (dam of Sunny Francis, 2.25, trial 2.14.) See Francis B. No. 4. This colt was broken and driven last year over the road by my groom just enough for exercise; has had no regular training, yet he has shown remarkable speed.

No. 4.—FRANCIS B.; trotting race record, 2.10¼; registered in volume 18; the dam of Sunny Francis, 2.25, trial in 2.14; sired by Alcamedia (19806); first dam Belle D., dam of 2, by Warwick Boy (3368); second dam, Borden Mare, by Tatler, Jr. Francis B. was a great race mare, extremely fast; was second to Billy Buck in 2.06¼. She is a regular breeder, having six colts in six years and now sure with foal to Andrew M. I have 4 of her colts in this sale, which will show for themselves.

No. 5.—BEDELIA; trotting record, third heat over ½-mile track, 2.14¼; sired by Jackdaw 14297 record 2.28¼, sire of 20 in the list including Maxine, 2.08¾, and Bedelia, 2.14¼, he by Jay Bird, dam by Robert McGregor, 2.17¾, sire of 110 in list. First dam, Queen McGregor, dam of Bedelia, 2.14¼, and three others, and own sister to Pansy McGregor, the world champion yearling of his day, 2.23¾, by Furgus McGregor, sire of 26 in list, by Robert McGregor, 2.17¾, thus showing she has a double cross of Robert McGregor. Bedelia is known as the blue ribbon winner and speedway queen of both New York and Philadelphia; also a race queen, starting in 23 races, being a money winner in all of them; was driven one-half mile over Philadelphia speedway by her former owner (an amateur driver) in 59¼ seconds; foaled a filly in 1912 which is in this sale, No. 15. As I wanted her to drive, was not bred. She is sound, one of the swiftest drivers I ever drove, fearless of everything, and has all her speed. She is ready for the speedway or the harem.

No. 6.—STARLIGHT MAID; trotting record 2.18¼ in winning race; sired by Peter the Great record 2.07¼, the greatest of all sires; first dam; Starlight, 2.15¾, dam of Achille, 2.15¼; and Starlight Maid, 2.18¼, by Electioneer; second dam, Sallie Benton, 2.17¾, dam of 4 in the list, by Gen. Benton, etc. Due to foal April 9 by Andrew M., No. 1. Sold for $1,100 at 2 years old at Madison Square Garden.

No. 7.—ANITA BARON; registered; sired by Oakland Baron, 2.09¾; first dam, Anita, record 2.30, dam of 2 in the list, by Baron Wilkes. This is an extra good young brood mare; has never been broken to harness; a regular breeder; have 3 of her colts in this sale. With foal to Andy Mack, 2.21¼. Due June 4.

No. 8.—ANDREW NUTWOOD; foaled 1907; a very handsome gelding; been a mile in 2.27 with last half in 1.10; been one-quarter in 34 seconds; only trained a little last spring; in May was taken with distemper and has not been started up since. Good judges thought this colt would trot in 2.19 last year when taken sick. His dam is by Nutwood, 2.18; second dam by Warlock, an inbred Nutwood dam.

No. 9.—LULU N; registered; a black filly foaled 1909; sired by Andrew M.; first dam, Anita Baron, No. 7. This is an exceptionally handsome filly. She is thoroughly broken; been driven both single and double; had no training; showed 2.40 after breaking last spring and was turned out; just taken up for sale; will show for herself on day of sale.

No. 10.—GEORGE M.; sired by Andrew M. No. 1.; dam is Francis B, No. 4; foaled 1910. This is a very large handsome gelding, is thoroughly broken and has shown that he is a very fust colt, and will convince any judge that he is a born trotter.

No. 11.—NINA B.; full sister to George M., No. 10, and Galloway, No. 3; foaled 1911. This is a very large, handsome filly; was driven a few times last fall to break.

No. 12.—Bay Gelding, a full brother to Lulu N., No. 9, foaled 1911. This is a good sized, nice bay gelding, driven a few times; shows a good way of going and should make a fast trotter,

No. 13.—BARON ANDY; foaled in 1912; full brother to Lulu N.; is one of the best of individuals.

No. 14.—YOUNG MACK; foaled 1912; chestnut colt sired by Andy Mack, 2.21¼, No. 2; dam Francis B., No. 4; a born trotter, large and rugged.

No. 15.—A bay filly, foaled 1912, sired by Andrew M., No. 1; first dam, Bedelia, 2.14¼, No. 5. This filly is very much like her dam and showed very fast in the paddock.

No. 16.—Brown filly, foaled 1912; by Andrew M.; dam, Starlight Maid, 2.18¼, No. 6.

Also sell all my carts, boots, harness, blankets, etc.; 1 Toomey speed cart, 1 Payne long shaft sulky; 1 high wheel light cart, break cart, 1 lot of nearly new light harness, five sets; 1 set fine double harness made by Gallagher, 1 ioi horse boots, weights, blankets, sweaters, coolers, etc.

READY FOR SPECIAL SESSION.

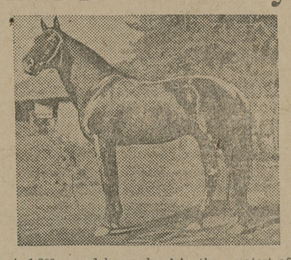

President Wilson Calls it for April 7 And Tariff Will Be First Considered.

The extra session of Congress, called by President Wilson to assemble April 7, will begin with nothing but the tariff revision bills before it. This fact was made clear in a statement by Representative Oscar W. Underwood, chairman of the House committee on ways and means. Until tariff legislation is well under way in the House no general committees will be named and no other legislative subjects will be taken up.

The president specified no subject in his proclamation, but it is fully understood that his message to Congress at its opening will dwell on the need of tariff revision.

If currency, Phillipine independence, Alaskan affairs, woman suffrage or other pressing questions are finally forced upon the attention of Congress it will be only after the Democratic leaders of the two Houses and the president are convinced that the success of the tariff revision is assured.
