"I would rather sell you a Studebaker"

When your dealer tells you *that* you know he's honest.

He may have *cheaper* wagons in stock, but he *knows* the Studebaker is the best.

And so do you.

He wants to give such good wagon value that you will come back and demand a buggy made by the same people.

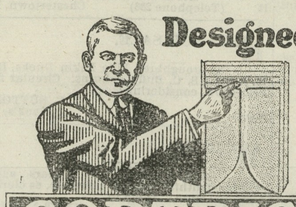

Studebakers have been building wagons for sixty years and they have won the confidence of dealer and farmer by building—not the cheapest—but the *best* wagons.

Whether you live in city, town or country, there's a Studebaker to fit your needs. Farm wagons, trucks, business and delivery wagons, surreys, buggies and runabouts, with harness for each of the same high quality as Studebaker vehicles.

CORTRIGHT METAL SLATE

Roofs put on twenty-six years ago are as good as new to-day, and have never needed repairs. What is the result? Why practically every other shingle manufacturer is trying to imitate it, so be not deceived—look for the words "Cortright Reg. U. S. Pat. Off." embossed on the corrugation. It is put there for your protection. Accept no substitute.
