Do You Know

THAT THE KENT COUNTY SAVINGS BANK IS GROWING? WHY?

Because:

The public has confidence in its Officials and Directors.

Its customers and patrons know nothing but courtesy and fair dealings at all times.

The experience and advice of its officials is gladly given to its customers, and to those not its customers, in any business matters.

It pays 3% interest compounded the last day of June and the last day of December on all time deposits.

It always has a sincere disposition to help any one seeking accommodation at its hands in the way of loans or otherwise.

It teaches the truth that the BANKING HABIT begets the SAVING HABIT which brings PROSPERITY, HAPPINESS and OLD AGE COMFORTS.
