Closing Out

¶ We have decided that we will not have sufficient room to handle any other shoes in "The Men's Store" except the famous "Walk-Over" Shoes, and in order to make more space for our growing Ready-to Wear Clothing, we intend to utilize our shoe department—and we must get rid of all these shoes.

We, Therefore, Offer the Following Absolutely REGARDLESS OF COST

All Shoes other than the "Walk-Over" of this season and the "Endicott-Johnson" of this season. These two lines we will be obliged to carry the entire year round, but we will close out all others. Now is the time to buy shoes—and good shoes—very cheap. Some of our best grades and a great many of the "Walk-Over" and "Regal" Shoes will be included in this sale. See our big side window and you will realize what tremendous bargains they really are. It will pay you to see them.

¶ Pay a call early, so that you may get a good selection before the stock is broken in sizes and styles. Low shoes and high, button and lace, tan and black, and patent leather will all go REGARDLESS OF COST.

STRONG ENDORSEMENT.

MESSRS. EDITORS:—

I note in your last issue the notice of Mr. Howard Turner's candidacy for Legislature. I could not help hearing the favorable comments made, that he would sacrifice to some extent and to a great extent his business demands to serve in this capacity.

It goes without saying that if our Legislators were men to whom the election meant sacrifice that a better class of men, and consequently better class of laws, would be passed for all in our State.

Mr. Turner being a man of large business experience and having proved by his years and work in this community that he wants a betterment of conditions, his standing both in Kent and away from this community and his indomitable push, energy and dynamic force, added to his age with its physical activity, would make him an ideal Legislative man.

Such men elected from our counties, would give our representatives a much more forceful influence with the city's representative than has been had in the past.

This action on Mr. Turner's part pleases me so much that I desire to express myself through your paper and pledge my individual support in every way I can to secure his nomination and election.

Yours truly,
"DAESTU."

THE case of Griffin & Boyd Co. versus R. F. Parks & Son for $2,000 for breach of contract occupied several days of the Centreville court last week. MOODY, the man who takes your measure correctly is turning out some beautiful clothes. The fits are perfect and quality of material, workmanship and trimmings the best obtainable; his long and straightforward career in the clothing business is convincing argument in his favor. Read change of adv. and investigate his plan.

THE largest strawberries brought to Chestertown were those presented to the NEWS editors Thursday by Mr. Walter Strong of Lankford. Some of them measured 6 inches in circumference and 23 would fill a quart box. "Uncle Jim" is the name of this variety. Queen Anne's will have to look to her laurels.

NEWS from St. Petersburg, Fla., says that the fishermen on the pier there landed 1500 big mackerel one day this week with hook and line. Mr. E. N. Roland did not write how many of these he caught.

GEORGE ROUSE, the faithful representative of the Standard Oil Co. in Chestertown, is erecting a large stable on his lot near Chester cemetery. Mr. Charles Hodgkins is doing the work. Mr. Rouse is grading the lot preparatory to erecting a residence there for himself and family.

THERE is a movement on foot to establish a milk station at Chestertown which will take positive form in a few weeks. This is a fine location for such a plant, being central to a splendid farming section and with an ice plant at the very spot.

A CHANGE in the time-table of the Pennsylvania Railroad will take effect May 25th. An extra train will be put on down the Peninsula. The Chestertown train will leave at 7.37 a. m. and arrive at 11 a. m. Afternoon train will leave at 2.51 and arrive at 6. Sunday, leave 3.55, arrive 7.28, just 28 minutes later than at present.

SOFT CRABS are now plentiful. Messrs. Wheatley, Collins and Duyer caught several dozen each on Wednesday with small nets.

THE Chestertown High School defeated the Centreville team Wednesday in a finely played game of ball, score 5 to 2. Each team had won a game and a good crowd gathered to see this deciding game. Brown and Robinson were the battery for Chestertown and played a splendid game; Tucker and Holmes for Centreville. Meginnis starred at the bat for Chestertown.

S. G. CALDWELL has a splendid bay horse added to his stables this week from the west to be sold today. He was a bay gelding weighing about 1200 lbs. and about 7 years old.

JOHN SCHAUBER, near Chestertown, is using a gasoline coal oil traction engine in his farm work. He hitched a plow, roller and harrow to it and covers about 8 acres per day. In contrast to Mr. Schauber is the following:

Besides being a successful newspaper publisher Colonel William R. Nelson, of the Kansas City Star, is a farmer and a generally progressive man. Colonel Nelson is making an experiment returning to the old days, for he has decided to use oxen as the motive power on his farm. A yoke of oxen cost $200, but a team of horses af similar farm work ability would cost twice as much. Colonel Nelson's farm is to be equipped with three yoke of oxen. It is the Colonel's theory that three yoke of oxen and three settled men will get better results than two pair of horses and two young men.

H. H. Klinefelter, administrator of Stephen E. Ford, deceased, will sell at public auction in Centreville Tuesday, May 27, 65 shares of the capital stock of the Centreville National Bank of Maryland. See ad.
