

Mrs. Complainer—"I declare, day in and day out, summer and winter, it's the same old story. Work, work, all the time. I don't see how it is my neighbors have time to take a vacation now and then. I'm sure I can't get done in time to even have a decent rest."

Anty Dradge—"My dear woman, you could if you would. You could do just what most sensible women do—use Fels-Naptha Soap. It is the greatest work saver for women that has ever been invented."

With Fels-Naptha Soap you can do your wash summer or winter without hard rubbing, boiling or hot water. It dissolves grease in pots and pans; makes china, glass and silverware glisten; brightens and freshens everything it touches.

Fels-Naptha does not fade delicate colors; it takes out stains, works best in cool or lukewarm water.

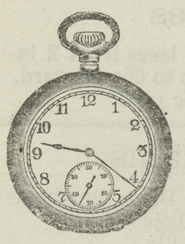

Follow the directions on the Red and Green Wrapper. Better buy Fels-Naptha by the box or carton.

CAMP-MEETING.

BROOM'S ISLAND, CALVERT CO., MD., Aug. 25, 1913.

MESSRS. EDITORS—DEAR SIRS:

Thinking some might care to hear from us, I write a few lines. We are here with our tents in the Evangelistic work. We hold what they call a ten days Camp-Meeting at Bowens. We were the only ones who camped on the grounds except the boarding tent managers. Great crowds came out just like a camp, and we held two services a day. The Lord blessed and saved souls. There was while we were here the greatest hail storm I ever witnessed. Stones as large as hulled walnuts. It came at 5 o'clock in the evening, and they shoveled up hail and made ice cream the next day, and in the valleys hail could be found even the following day. Corn and tobacco crops were destroyed. We are now at Broom's Island. Been here ten days and will remain another week. Fifty persons at both meetings have professed to be saved or santified to date, and God is wonderfully working and blessing here. No telling what the end will be. May go from here to St. Mary's county for meeting as we have a call from there. Since writing yesterday 11 more souls were saved last night.

WOMAN IN TERRIBLE STATE

Finds Help in Lydia E. Pinkham's Vegetable Compound.

Bellevue, Ohio.—"I was in a terrible state before I took Lydia E. Pinkham's Vegetable Compound. My back ached until I thought it would break, I had pains all over me, nervous feelings and periodic troubles. I was very weak and run down and was losing hope of ever being well and strong. After taking Lydia E. Pinkham's Vegetable Compound I improved rapidly and today am a well woman. I cannot tell you how happy I feel and I cannot say too much for your Compound. Would not be without it in the house if it cost three times the amount."—Mrs. CHAS. CHAPMAN, R. F. D. No. 7, Bellevue, Ohio.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

The Pinkham record is a proud and peerless one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

The Kent Building and Loan Company

desires to call the public's attention to the VERY BEST method whereby they can save money.

For Fourteen years this Company has continued with marked success and has paid its shareholders on an average of 5½ per cent. on their savings. In view of this liberal policy, it is hardly necessary to advance an argument why you should deposit a small sum weekly, monthly or quarterly with this company. Dues received weekly every Monday evening at the Court House in Chestertown, between 7.30 and 8.30 P. M., or by mail at any time. The last statement of the company showed assets of over $80,000. Three years ago the assets were about $60,000. Shares are 25 cents per week, and we have some leading business men who have over 100 shares and have held shares in this company from the date of its organization. The company operates for the advantage of all its shareholders—not merely for a few—and this policy has resulted in a 5½ per cent. investment which must appeal to any one with any sagacity. Its books are regularly audited and it is managed by a capable and strong body of directors, who give it their constant attention. The condition of the company's business is open at any time to the public. $1 paid weekly earns approximately at the end of 6 years and 6 months from $390 to $400. $1.50 paid weekly means about ½ more.

The officers will be glad to give you further information.

Words of Praise

For *Mayr's* Wonderful Stomach Remedy

"How thankful we are to you for getting a hold of your Wonderful Remedy. My wife could not have had but a short time to live if she had not taken your Wonderful Remedy when she did. One more of those paroxysm pains she was having would have killed her without a doubt. Now she is free from all pain, free from heart trouble and free from that disturbing Neuralgia—all the results of five treatments—and the expulsion of five or six hundred Gall Stones. Now she is able to eat anything she wants and her appetite is good and before taking your medicine she had no appetite and when she ate anything she would suffer death for so doing and could not sleep at night; since taking your treatment she sleeps well all night long. **T. A. Neall, Roanoke, Texas.**"

The above letter should convince you more than anything we could say in behalf of *Mayr's Wonderful Stomach Remedy*. Sufferers should try one dose of this Remedy—one dose should convince them that they can be restored to health. Nearly all Stomach Ailments are caused by the clogging of the intestinal tract with mucoid and catarrhal accretions allowing poisonous fluids into the Stomach and otherwise deranging the digestive system. *Mayr's Wonderful Stomach Remedy* painlessly removes these accretions without a surgical operation and puts an end to Colic Attacks, Gases in the Stomach and Intestines and all of the usual symptoms of Stomach, Liver and Intestinal Ailments. Ask your druggist about *Mayr's Wonderful Stomach Remedy* or send to Geo. H. Mayr, Mfg. Chemist, 154 Whiting St., Chicago, Ill., for free booklet on Stomach Ailments and many grateful letters from people who have been restored.
