CANDIDATES ASK FOR RECOUNT

The Messrs. Taylor, Thompson and Stradley File Petitions for a Recount of Ballots.

The Supervisors of Elections for Kent county have ordered a recount of ballots cast in several voting precincts at the recent primary election.

This action of the supervisors is taken in persuance of petitions filed by Messrs. Edwin M. Taylor and J. Henry Thompson, candidates for county Commissioner and William H. Stradley, candidate for member of the State Central Committee.

The contestants are all affiliated with the Organization wing of the Democratic party, and upon the face of returns, were defeated by Messrs. T. Benj. Crew, John C. Wood and Wm. H. McKee, respectively, representing the Anti-Organization faction.

The contestants in their petitions allege that in the second precinct of the First District, in the first and second precincts of the Third District, in the second precinct of the Fourth District, in the first precinct of the Fifth District and in the Sixth and Seventh Districts, the result of said primary election was not truly and accurately made and reported and that ballots were counted for the contestees which should have been counted for the petitioners and that ballots were counted for the contestees which should have been rejected.

The supervisors fixed Friday morning at 9 o'clock as the time for opening of the ballot boxes and recounting the ballots cast in the disputed precincts. Immediately after the petitions were filed with the Board of Supervisors, Mr. John C. Davis, president of the Board of Supervisors, notified the contestees of the action, and of the Board's decision to make the recount at the time stated.

RECOUNT STOPPED.

The Supervisors of Election decided yesterday afternoon to stop the recount until Attorney-General Poe could be consulted in regard to counting the ballots that were thrown out because of being voted in the wrong precinct.

RECOUNT IN CECIL.

The official returns of the Cecil primary election of September 8, made on Thursday last, showed that in the Democratic contest for Sheriff John A. Morgan, of Elkton, received 1043 votes, and Richard K. Barnes, of Charlestown, 1042 votes. Mr. Barnes, acting under the privilege granted all candidates under the primary law, on Monday filed a petition for a recount of the ballots by the Supervisors of Elections, and his bond to cover the cost of same if the result is not changed by the recount. Mr. Barnes does not allege fraud or irregularities, but merely takes advantage of his privilege of a recount because any slight error in the original count might have changed the result of such a close vote. William S. Evans, James F. Evans, Esqs., are counsels for Mr. Barnes.

COLLEGE OPENS.

Washington College opened on Wednesday last. The new members of the faculty are present and the prospect is for a large number of College students.

OYSTERMEN throughout the tidewater counties of this State are optimistic over the prospect of the oyster season. From reports gathered from every oystering section of the Chesapeake Bay there is an unusually good supply of marketable bivalves on the rocks and beds which are now waiting for the dredgers Reports from the tributaries are also very encouraging, the catch so far indicating a good supply of oysters of fine quality.
