REPORT OF THE AUDITING COMMITTEE OF KENT COUNTY, MD.

To the Honorable Board of County Commissioners for Kent County, Maryland.

GENTLEMEN:—In compliance with an Act of the General Assembly of Maryland, passed January, 1904, we, having been appointed auditors for Kent county, beg leave to state, we have examined the books, accounts, vouchers and papers of the office of the County Commissioners, Treasurer, Board of School Commissioners and Trustees of Almshouse, and submit the following report as shown in

EXHIBITS

In order that the succeeding Auditing Committee, as well as the general public, may understand the work done by the auditors, we wish to state that we have compared the assessment books of the county with the tax books of the Treasurer and verified them. We have traced each bill presented, through the books of the County Commissioners, to Treasurer, to the checks returned. We have left in the Commissioners' office a list of all orders and certificates which have not been paid. We would suggest that on June 1st, the Treasurer should have his bank book balanced, and give to the County Commissioners a statement of all monies received and from what source, together with a list of insolvent and delinquent tax-payers at that time, which list, we think, should be published in the county papers.

We desire to call special attention to the Almshouse Exhibit, and would recommend the sale of the Almshouse Farm

You will also see that Exhibit showing expenditures for 1912-13 make the amount $97,057.13, while the Treasurer's expenditures are $111,162.55. The former is made up of Orders and Certificates for 1912-13, while the latter is made up of Orders of 1912-13, and paid, and Certificates of 1911-12 paid in 1912-13.
