WOMAN AT HOME

BY REV. T. DEWITT TALMAGE.

Thank God, O woman! for the quietude of your home, and that you are queen in it. Men come home at eventide to the home; but all day long you are there, beautifying it, sanctifying it, adorning it, blessing it. Better be there than wear Victoria's coronet. Better be there than carry the purse of a princess. It may be a very humble home. There may be no carpet on the floor, there may be no pictures on the walls, there may be no silks in the wardrobe; but, by your faith in God and your cheerful demeanor, you may garniture that place with more splendor than the upholsterer's hand ever kindled.

KENT COUNTY MEN FEAST.

The Kent county section of the Eastern Shore Society met at the home of Dr. John B. Schwatka, 822 West North avenue, Thursday night and selected officers for the ensuing year. They are former Senator Clarence W. Perkins, president; Percy G. Skirven, historian, and N T. Meginnis, chaplain. Reports of committee were read and it was stated that Kent has 32 members enrolled to date.

At the end of the business meeting Dr. Schwatka, a native of Kent, had a typical Eastern Shore supper ready for his guests, which at once further established his eligibility to membership in the society. Members of Kent county section present were.

Messrs.—

N T. Meginnis, Dr. Henry P. Hynson, B. Howard Haman, Hyland P. Stewart, David P. Stewart, Dr. G. Irwin Barwick, R. Nelson Stevens, T. Henry Hessey, Preston Fiddis, Arthur C. Wheatley, Dr. Horace Nicholson, Jas W. Chapman, J. Henry Baker Dr J. B. Schwatka, W. H. Schwatka, Clarence W. Perkins, Henry O. Redue, Percy G. Skirven.

SERIES OF ACCIDENTS

Howard Middleton Shoots Himself Accidentally While Gunning Near Fairlee—Mr. Money Falls and Cuts His Head, &c.

Mr. John T. Jester, the auctioneer, severely injured his left hand Thursday, cutting a severe gash in it. He was chopping wood with a hatchet when one of the boards slipped, the sharp hatchet coming down on his hand. His thumb was nearly severed, but the wound is healing nicely.

Mr. E. C. Newton was severely injured a few days ago at the American Strawboard bill, when Mr. Harry Bennett dropped a crowbar with which he was working, the iron striking Mr. Newton across the forehead and eyes.

Messrs. Newton and Bennett were repairing some shafting at the mill when accident occurred. Mr. Newton was nearly blind for several days. Dr. H.G. Simpers rendered medical attention and he is now able to be at his work again.

Mr. Wm. T. Money slipped on the driveway leading to his barn last Friday fell and struck his head a sharp blow against a protruding board. It required 10 stitches by Dr. Simpers to close up the wound.

Howard Middleton, the 16-year-son of Mr. and Mrs. Daniel Middleton, of near Fairlee, was severely injured last Saturday morning while out hunting in the woods not far from his home.

Carrying his double-barreled gun in his right hand, the young hunter strolled quietly through the woods on the watch for game. Suddenly the gun struck a log, causing both barrels to be discharged, the loads passing through his left arm above the wrist. The young man, covered with blood, rushed to his home for aid. His mother, wrapping a part of a sheet around the injured member, stanuced the flow of blood, while the father quickly put a horse in harness to rusu him to the doctor.

Dr. H G. Simpers found the injured arm in bad shape, it being terribly lacerated, and the wadding from two shells having entered the arm, he was compelled to pick it out at once, in order to prevent blood poisoning or something else equally serious

Dr. Simpers then took the boy in his automobile to Tolchester where he met the Baltimore boat and was taken to Mercy Hospital, where an effort is being made to save his arm.

In telephonic communication with Mercy Hospital Sunday morning, the doctors there thought they would be able to save the wounded arm.

ALL-AIR ROUTE.

It is always a pleasure to hear from our friends in the Southland. Mr. E. Roland Matthews sends us a picture of himself and companion with their catch of 110 pounds of fish and says they caught them in 3 hours with hook and line. Mr. R. is a member of St. Petersburg militia and they are expecting to be called to Mexico any day.

St. Petersburg has the distinction of having the first all-air route. The Mayor paid $400 for the privilege of being the first passenger to Tampa. The local paper says:

"With the band playing "Dixie," the immense crowd cheering, the powerful engine on the strange craft roaring like a score of machine guns, and hundreds of cameras clicking, the airboat Benoist, with Tony Jannus as pilot and former Mayor A. C. Pheil as passenger, made history in the yacht basin at St. Petersburg this morning. It was the first trip of the first regular passenger service of any kind of airboat or aeroplane in the world and was successful beyond the expectations of anybody except those who knew what a Benoist airboat can do.

This was the opening of the all-air route to Tampa and was merely the first trip by a line that will run through the air on a regular schedule, just like steamboats run through the water and railroads run on land. The trip to Tampa was made without a mishap, a landing was made there in less than an half hour after the start was made from the yacht basin at St Petersburg, and then Mr. Pheil was brought back to his starting point, having enjoyed the most expensive and most novel ride ever taken by any resident of this or any other city."

WEDDING BELLS.

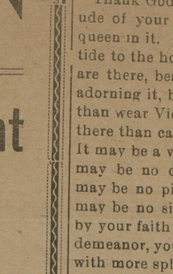

SMITH—COPPAGE.

Miss Fannie Smith and Mr. E. G. Coppage, of Church Hill, were quietly married at the home of her sister, Mrs. William S. Bittle, 125 Rutgers avenue, Swarthmore, Pa., on Wednesday evening, January 7th, at 6.30 o'clock by the Rev. W. C. Smith, also of Church Hill, in the presence of a few of the immediate relatives.

They will be at home at Church Hill after February 1st.

Mrs. Thrifty—"How do you like my new ring, Anty Drudge? Do you know how I got it? I've been doing my washing with Fels-Naptha Soap ever since you told me about it, and my clothes wear twice as long as they used to. I bought this ring with the money I saved on my clothes."

Anty Drudge—"Yes, and you've not only saved clothes. You've saved your health and strength, too, by using Fels-Naptha Soap."

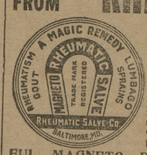

Lots of money that could go to buy pretty things for you and your home is wasted in paying doctor's bills, in buying coal or paying for gas to heat water and boil clothes, unless you use Fels-Naptha Soap.

Fels-Naptha does the best work in cool or lukewarm water. It makes the clothes clean, pure and white, without boiling or hard rubbing. It does all kinds of housework in the easiest way, the shortest time and better than it has ever been done before.

Follow the directions on the Red and Green Wrapper. Better buy Fels-Naptha by the carton or box.
