VOL. 76 — CHESTERTOWN, MD. SATURDAY, JUNE 20, 1914 — NO 13

THE CHESTERTOWN BANK and THE GALENA BANK always mindful of the interest of its patrons, have decided to

Pay 4 Per Cent Interest

on deposits in the Savings Department to take effect as of March 1, 1914.

We trust that our friends who are not doing business with us will appreciate this liberal offer and start an account with us.

We especially appeal to our friends up the county in and around Galena, who have a bank right at their door, and if they will stop and think of the advantage and the prestige it gives to the community, we feel that they will be glad to support the Institution, have you ever thought of it this way, consider it, and see if you will not agree with us that we have a right to ask you for your business.

Your purse strings

will loosen as you pass our store and see the windows "crowded with bargains."

Let us suggest to you, Mr. Farmer, the early selection of your needs for this Spring. The time to make this selection is NOW, the place is HERE.

Note the prices—pick out the ones you like—and have them put aside for you until you are ready for them.

If you have never dealt with us, it is your fault; but if you deal with us just once and do not continue, it is our fault. So come in to see us and give us a chance.

We enjoy showing our goods just as much as you do seeing them, and we will see if we cannot show you some bargains.

We are yours for business.

It is thought the commissioners will have sufficient money to accept the offer of Mr. Medford Brooks, viz., to furnish shells, provided he hauls them, to shell the road from the railroad crossing to the mill.

NEW WATER TANK.

The Chestertown Water Board have determined to do away with rhe present reservoir and build an elevated tank to hold 100,000 gallons of water. The contract will be let probably next week and work commence in August. Mr. Hall, of the State Board of Health, was before Water Board and Town Commissioners on Wednesday last and reported upon the water supply of Chestertown. About two months ago the State Board of Health placed a mixing apparatus at the Chestertown pump house which purifies the water and makes it absolutely safe for domestic use. These improvements by the Water Board will give better fire protection and be a needed improvement.

Bequests To Washington College.

President Cain made public announcement of two bequests to Washington College. One the bequest of Garrett Foxwell for the erection of a memorial hall which the Board of Visitors officially accepted last Saturday night. This bequest will amount to about $40,000 and will be available upon the death of his widow.

The other bequest is from the estate of Dr. Samuel T. Rogers, of Connecticut, who leaves a fund the interest of which is to be used for prizes in oratory.

Our Farm on Lankford Bay now tenanted by Harry T. Richardson containing 400 Acres is for rent for 1915. It is of easy subdivision and if more profitable will rent in two farms. To good capable tenants an opportunity is offered to secure a good paying and productive farm.
