PUBLISHERS AND EDITORS

SATURDAY, AUGUST 15, 1914.

THE Baltimore harbor is filled with loaded vessels unable to get the grain in elevators. Efforts are being made to relieve the situation, Hon. John Walter Smith being the leader of the movement.

THE Democratic Clubs of Baltimore gave a $3,000 floral design for the grave of Mrs. Woodrow Wilson. How much have these clubs given to the Babies Milk and Ice Fund?

THE names of L. R. Vansant, Thos. H. Vandyke and J. Henry Thompson have been mentioned for the honor of representing Kent County Democracy at the coming State Convention. They are worthy representatives and will likely have the united support of all factions.

CHAIRMAN HANNA and Chairman Vandiver have agreed that the senatorial primary shall be held on Tuesday, September 15. As candidates must file their applications thir y days previous, Saturday of this week will be the last day for filing applications.

Republican state leaders will hold a conference at Baltimore when decision will be reached as to the advisability of having a candidate in the field other than the erstwhile Bull Mooser, Col. Carrington.

Typhoid Fever

How to Prevent Its Spread

ISSUED BY THE

State Board of Health

OF MARYLAND.

When TYPHOID FEVER appears in a family the source of the infection must be looked for in drinking water or food taken within the preceding twenty days. The patient may not have been infected at home, but if a second case occurs this second infection will in all probability be traceable to the first patient. In a majority of instances the drinking water has become infected. Your first business, therefore, is to find out the quality of your drinking water.

You can do this by asking your local health officer for instruction about shipping us samples of your drinking water. *The daily supply of drinking water should be boiled.*

The infectious material of typhoid fever is produced in but one way. It grows always in the bowels and sometimes in the bladder. It, therefore, escapes from the sick person in the stools and urine. If we kill the germs in the stools and urine as soon as they are passed, there can be no spread of typhoid fever. These discharges should, therefore, be disinfected as soon as possible. You will need a large quantity of a good disinfecting solution.

RECEIPT FOR A GOOD DISINFECTANT.

To four gallons of water add enough salt to make a strong brine. Put this in a five-gallon demijohn or jug and add a quart of crude carbolic acid. Shake it up well and you will have a good disinfectant for stools and urine.

The crude carbolic acid, known as U. S. P. 90 per cent., is very good, and a quart will cost about 50 cents. There is a cheaper grade, known as a 36 per cent. acid, which is nearly as effective.

About a pint of this solution should be put in the chamber or bed pan before it is used, so that the discharges will begin to be disinfected as soon as they leave the body. There must always be at least as much of the disinfecting solution as there is of the discharges, so that more of the disinfecting solution may need to be added after the discharges are passed. If the stools are thin and watery, their disinfection will be accomplished in half an hour or so; but if the stools are thick or formed very much more time will be required. On that account it is best to have a covered jar or bucket into which the bed pan can be emptied, and to empty this jar only once in 24 hours. If the discharges cannot be finally thrown into a sewer, they should be buried in the soil at a convenient spot where there is no chance of their fouling a water supply. The discharges should never be thrown upon the surface of the ground, for you will hardly be successful in killing all the typhoid bacilli, and you must not place them where those not killed by the acid may be blown about in the dust or carried away by flies to infect other people.

In spite of every precaution those who wait on the sick person will get their hands infected, and it is therefore necessary to wash the hands every time one does any service about the patient's bed or body. Whoever waits on the patient must not prepare food ar drink for other persons in the house, or if it is impossible to mind this rule, one must most carefully and thoroughly cleanse the hands before performing any household duty outside the sick room. Good scrubbing with soap, water and a brush, and then rinsing well in fresh water, will suffice for cleansing the hands.

If anyone else in the house falls sick within two weeks after the first patient, the probability is that the infection was lodged before the precautions were taken in regard to drinking water and the disposal of discharges. But if the second case occurs more than 20 days after the first case, that will signify that we have made a mistake somewhere in our precautions.

DR. GEORGE H. JONES,
Secretary Local Board of Health of Kent county, Galena, Md. ag15-tf

Live Agents Wanted

We want a live man to solicit orders for EXIT DISINFECTANT. The only 3 in one article of this kind on the market. Insecticide, Germicide and Disinfectant. TRUSTEE'S SALE
—OF A—
Valuable Farm

Near Lynch's Station, Kent Co., Md

UNDER and by virtue of a decree of the Circuit Court for Kent county, Maryland, passed in Chancery case entitled Clara L. Williams et. al vs. Charles A Rouse et. al., No. 1856 the undersigned, trustee named in said cause, will offer at public sale in front of the Court House Door, in Chestertown, Kent county, Maryland, on

TUESDAY, Aug. 18, 1914

Between the hours of 11 A. M. and 12 o'clock noon,

All that Valuable Farm

known as the Rouse Farm or the Jones Farm. This farm adjoins Lynch's, one of the most thrifty and prosperous communities in Kent county, on the public road leading from Lynch's to Worton Station. It contains about

108 Acres

of land, more or less, with railroad station at its door. It is conveniently situated, the land is a natural medium loam, excellent quality, easily improved and will readily respond to everything put upon it.

THE DWELLING

is ample for the farm, and with small repairs can be made most comfortable. There is a Barn, Stable and other usual outbuildings.

Owing to its choice location, within two or three hundred yards from church, school and R. R. Station, this offer is one of the most advantageous opportunities to any one to purchase a small farm on which he desires ta make his home. It is excellently adapted to the growth of all grains, fruits, vegetables, and is only about two miles from the Milk Station at Worton. Purchasers will be entitled to possession Jan. 1st, 1915.

Terms of Sale

as prescribed by the decree are: One third of the purchase money cash on the day of sale, and the rsidue in two equal installments, payable in one and two years from the day of sale; all unpaid purchase money to bear interest from the day of sale and to be secured to the satisfaction of the trustee, or all cash, at the option of the purchaser. All title papers at cost of purchaser. Purchaser gets corn and tomato crops, and will pay the taxes for the present year.

HOPE H. BARROLL, Trustee.
JOHN T. JESTER, Auctioneer. aug8 ts

Administrator's Sale of
—VALUABLE—
Leasehold BUILDING LOTS

On Washington Avenue, Chestertown, Md.

UNDER and by virtue of an order of the Orphans' Court for Kent county, Maryland, the undersigned, administrator of the late Dr. Stephen E. Ford, will offer at public sale in front of the Court House Door in Chestertown, Kent county, Maryland, on

TUESDAY, AUGUST 18, 1914

between the hours of 11 A. M. and 12 noon, ALL THOSE

Valuable Building Lots

adjoining the residence which was occupied by the late Dr. Stephen E. Ford in his lifetime, and which are described as follows:

This property consists of a LOT OF LAND fronting 293 feet 4½ inches on the east side of Washington avenue, and extending back 445½ feet to Philosopher's Terrace, running parallel with Washington avenue. The front half of said lot will be divided into

Six Building Lots

each of them fronting 49.08 feet on Washington avenue, with an even depth throughout of 225 feet (except Lot No. 1, which has a width on College avenue of 46.08 feet, and in the rear a width of 48 83 feet).

The rear lot bounds on Philosopher's Terrace 293 feet and 4½ inches, and has an even width throughout of 220 feet 6 inches, more or less, and lies immediately in the rear of the said six lots above mentioned.

This property will be offered in single lots, and then the six front lots will be offered as a whole. The rear lot will then be offered separately. Thereupon the entire property will be offered as a whole, and the same will be sold singly or as a whole as may be most advantageous to the estate of the late Dr. Stephen E. Ford. The entire lot contains about 3 acres of land.

The plot of the said lots may be seen and same is now on exhibition at the office of Hope H. Barroll, Esq., in Chestertown.

It is the same property which was conveyed unto Stephen E. Ford by deed of Assignment of Lease from Emily Jane Sparks et. al., bearing date the 23d day of October, 1904, recorded in Liber J. T. D., No. 10, Folios, 116, etc., one of the Land Records of Kent county, Md. It is also designated as Lots Nos. 44, 45, 46, 49, 50 and 51 on the plot of the lands of Washington College, recorded in Liber S. B., No. 4, Folios 224, etc.

This sale offers some of the finest lots which have been on the market in Chestertown in recent years Washington avenue is one of the most desirable resident streets in Chestertown. The separate lots offered for sale are most desirable and valuable, while if the entire tract were bought by one person it would afford ample grounds for a beautiful residence, with gardens, yards, etc., attached.

TERMS OF SALE as prescribed by the order of the Orphan's Court are:—One third of the purchase money cash on the day of sale and the residue in two equal installments, payable in six and twelve months from the day of sale; all unpaid purchase money to bear interest from the day of sale and to be secured to the satisfaction of the administrator or his attorney.

You can thank the backward season for these prices on our stock of new, fresh, seasonable, up-to-the-minute Shoes.

The weather made sales slow for every retailer during the early spring, and, frankly, we find ourselves with more shoes than we should have.

We are determined not to carry over these goods, and as a consequence have placed prices upon them which will surely cause them to "move" in qvick step time.

The real Summer wearing season is still ahead of you. Don't fail to take advantage of this opportunity to secure your vacation shoes at ridiculously low prices.

Our loss is your gain. Come early while our range of styles, sizes and widths are unbroken.
