MRS. MARTHA A. FELTON.

The sudden death of Mrs. Martha A. Felton at her residence near Millington on Friday, Aug. 7th, came as a great shock to her many friends in this vicinity. Born in Philadelphia in 1838 she lived there until six years after her marriage to Jacob B. Felton, when they moved to Maryland. Here they lived until 1888, moving then to Philadelphia, where Jacob Felton died and was buried. She was the mother of eleven children, five of whom are still living: I. Foster, William A., J. Whitaker, Jacob B. and David. For sixty years of her life whenever possible, she was in Sunday school as a teacher. Of a very kind and charitable disposition, her many activities kept her young and when acute indigestion ended her life it closed one of great usefulness.

Funeral services were held at Trinity M. E. Church South, Millington, on Sunday, Aug. 9, at 3 p. m. where Rev. A. E. Owens officiated and also at St. James M. E. Church, Onley, on Monday at one o'clock, where the services were in charge of G. H. Bickley, D. D. She was laid to rest beside her husband at Olney, Philadelphia.

B. F. VANSANT.

The angel of death passed over our neighborhood last Monday morning and laid its icy hand upon Mr. B. F. Vansant, one of our most esteemed citizens. Mr. Vansant was seized with a severe attack of acute indigestion last Saturday and in spite of skilled medical aid, his condition grew worse until early Monday morning. He then seemed to be improving and his family who had been loyally with him since the first attack retired for a little rest all except his son, Mr. Price Vansant. Mr. Vansant's condition, however, was far more serious than was supposed and a few moments he died in his son's arms about 5.45 a.m.

Mr. Vansant was born in Smyrna, Del., about 61 years ago. His family moved to Millington when he was very young. For several years after reaching the age of manhood he was engaged in farming. Later he went into the mercantile business. He also faithfully served the public as postmaster for two terms. At the time of his death he was proprietor of the Central Hotel which position he had held for 13 years. Mr. Vansant was a member of Asbury M. E. Church. He was very fond of music and he will be missed greatly by the members of the church choir and those of the old Millington Cornet Band to whom his cheerful presence was ever an inspiration.

His funeral was held from his late residence on Wednesday afternoon, the Rev. G. P. Smith and Rev. Ed. Gardner officiating. A large number of his friends were present. He is survived by two single daughters, Misses Addie and Mary, one married daughter, Mrs. Ford Phillips, and one son, Mr. Price Vansant, both of Wilmington, Del., and two grandchildren, Mr. Clifton Clark and Miss Mildred Clark, of Millington, also a brother, Mr. James Vansant, of Millington.

AN executive meeting of the Kent County W. C. T. U. will be held at the home of Mrs. H. B. Simmons, on Wednesday. Aug. 19th at 10.30 a. m. It consists of the County officers, Presidents of Local Unions and all Supt's. of Departments. A cordial invitation is extended to members of the organization to be present. By order of the county president.

GRANGE MEETING.

Kent County Pomona Grange were royally entertained at "Rock Park," the home of Mr. and Mrs. B. F. Rash, Worton. Mr. John Medders presided at the morning session and Mr. G. R. Rasin was to have been in charge later but the storm interferred somewhat. This was one of a series of summer field meetings being held in various parts of the State under the auspices of the Maryland State Grange.

State Lecturer Reuben Brigham addressed the grangers on the urgent need for welcoming the young people of their neighborhoods into the organization. "No country neighborhood," he declared, "will make the progress it should until it develops strong local leaders, educated in the needs of the community and able to co-operate successfully in meeting them. The basis of such co-operation is the fair sharing of the work and profits of the farm and home with your boys and girls."

W. R. Ballard, of the Maryland Agricultural Experiment Station, discussed with growers present the production and marketing of grapes. While here he examined the vineyards on the farm of B. F. Rash, which he declared to be the finest of its kind he had seen on the Eastern Shore. Professor Ballard believes that there are great possibilities open to grape growers of this section.

ROCK HALL

The P. O. S. of A. outing held in Crosby's grove on Friday of last week was a delightful affair. Past State President Prof. H. T. Griffith, Rev. J. R. Bicking, Mr. Eaton and their chauffeur, all of Centreville, and Mr. Joseph Saylor, of Washington, D. C., were guests of the local camp members and participated in and hugely enjoyed the amusements of the day. An abundance of refreshments were on tap. After the amusements were through, Prof. Griffith delivered an excellent address on the results of the Order in Maryland, during which he mentioned the Camp here in high praise. Mr. Eaton followed with a fine talk on Patriotism, then Rev. Mr. Bicking followed with a ringing address also on Patriotism, during which he scored those foreign born citizens who are flocking to the Fatherland to offer their services in war, after enjoying the rights and privileges of America for many years. Then followed Mr. Saylor with a good talk about things at the National Capital. The Star Spangled Banner was then sung with standing posture and all wended their way homeward.

The Odd Fellows are now planning for an oyster supper and prize drawing for September 12th.

State Senator W. J. Ogden was here Saturday night and made a red-hot address on the record of United States Senator John Walter Smith, but he failed to knock Smith's hat out of the ring, and from all accounts he left here minus the encouragement he had hoped for.

Mr. Fred Williams has purchased the Alexander wheelwright and blacksmith shops and he is tearing them down with the intention of using the material in the construction of a stable on his own property.

This section was visited by a terrific electrical storm on Monday evening and played havoc with fruit but the copious rain more than compensated for the loss sustained in the fruit fall. Another good shower came to us on Tuesday evening. Life is worth living after all.

The grim reaper has been a most relentless monster in this section of late and is still prowling about here with prey in view. Mrs. Sharkey died last week, her funeral taking place on Sunday afternoon conducted by Rev. Ms. Prettyman.

Rulon Levy, after a month's stay with his aunt, Miss Nannie Ryan, returned home with his mother on Monday.

Mr. Billy Downey says the burning of so much gasoline is the cause of so much dry weather of this and recent years. His theory is not holding good for this week anyhow.

Where Shall I Go This Evening?
To The Candy Kitchen

Hot weather has started and the taste for good, cool ice-cream is returning and the only place to get it is at the CANDY KITCHEN.

Our friends have noticed what a nice clean parlor we keep and have favored us all along with an ever-increasing share of their patronage. There is but one reason for this increase. We keep the cleanest, purest cream in town, as well as the best line of purely Home-made Candies.

Everything good to eat can be obtained at our parlors, and there is no better way to spend a few minutes these warm evenings than to come with your friends and hear the good music while you eat. New records every week.

Of course we keep a full line of cigars, cigarettes, and tobacco. We also handle all kinds of fruits in season, and we might remark that nothing but pure fresh fruits go into our ice-cream.

If there is a party, a festival, a picnic, or an excursion—remember that you can get a special discount on cream bought in large quantities. Shipped free over five gallons. This is a saving.

We are always glad to see you and your friends at all times. Come in and spend a while with us. Yours very truly,

INVESTIGATE

WHY pay more? In good many instances, for an article of less value. The only successful plan is—INVESTIGATE, learn by comparison, and learn just as a great number of clothing users in this locality are doing.

We Reiterate This Stubborn Fact

i. e.—we are making clothes to order. Fit, material and workship fully guaranteed for less money than you can NOW buy same qualities in ready-made for and we reiterate this indisputable reason, i. e.—no large stock to carry and carry over, large rents and up-keep generally.—THIS IS WHY.

We have a full line of—

Alpaca and Mohair Coats
Linen Dusters and
Rain Coats

from a specialty house. See them and compare prices.
