IN TREE WITH FIVE RACCOONS.

Horace Robinson, a young farmer of Smithville, six miles north of Federalsburg, had a thrilling experie nce in the top of an oak tree Monday night with five raccoons, which he encountered while on his way to visit a neighboring farmer. Before the battle ended, Robinson fell from the tree, completely exhausted. Three of his ribs were broken, his thigh was badly injured, and it is feared he is internally injured.

The young man set out from home shortly after dark, and was passing through a strip of woods when he encountered the coon. He followed them to a big oak, which the 'coons climbed. Thinking probably he could capture one of them alive, Robinson also climbed the tree, but when he reached the 'coons they showed fight and for 15 minutes the young farmer had to fight at a great disadvantage to save his life.

The 'coons got all around him, and though he kept his arms going like piston rods, the 'coons inflicted ugly gashes with their claws. Robinson kept up the fight from his perilous position until, completely exhausted, when he fell to the ground. He dragged himself, bleeding to the county road, where his groans were heard by his father, W. H. Robinson, who picked his son up and carried him home.

A CORRECTION

Editors Kent News—

Gentlemen: The Supervisors of Elections respectfully request that you correct the statement in your editorial column of September 5 relative to fees for candidates for U. S. Senator and Congressmen. The law provides that candidates for U. S Senator must file with their certificate $10.00 for each county and legislative district of Baltimore city. Candidates for Congress are required to file with their certificate $25.00 for each county composing the district in which they are candidates

There has been filed with our Board certificates by three candidates for Senator, $10 00 each, $30.00; and four candidates for Congress, $25.00 each, $100, making $130 in all. If your article was correct our Board would have received from all the candidates $350.

Where Shall I Go This Evening?

To The Candy Kitchen

Hot weather has started and the taste for good, cool ice-cream is returning and the only place to get it is at the CANDY KITCHEN.

Our friends have noticed what a nice clean parlor we keep and have favored us all along with an ever-increasing share of their patronage. There is but one reason for this increase. We keep the cleanest, purest cream in town, as well as the best line of purely Home-made Candies.

Everything good to eat can be obtained at our parlors, and there is no better way to spend a few minutes these warm evenings than to come with your friends and hear the good music while you eat. New records every week.

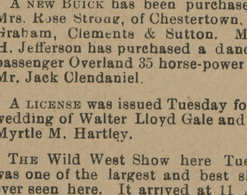

Of course we keep a full line of cigars, cigarettes, and tobacco. We also handle all kinds of fruits in season, and we might remark that nothing but pure fresh fruits go into our ice-cream.

If there is a party, a festival, a picnic, or an excursion—remember that you can get a special discount on cream bought in large quantities. Shipped free over five gallons. This is a saving.

We are always glad to see you and your friends at all times. Come in and spend a while with us. Yours very truly,
