RURAL CARRIERS MEET

Hold Interesting Meeting at Voshell House on Monday.

The semi-annual session of the Tri-County Rural Letter Carrier's Association met on Monday, Labor Day, in the Voshell House parlors for the purpose of disposing of unfinished business and otherwise perfecting said association, which organized at Millington on Washington's birthday last.

After the reading of minutes of last meeting and enrollment of a number of new members, interesting addresses were made by Postmaster M. W. Thomas, of Chestertown, and President N. A. Wallen of the Association; the proceeding of the National Convention, which was held in Washington, were discussed and approved of and a rising vote of thanks was given to the R F. D News and its editor, W D. Brown, as a token of appreciation of his efforts and splendid achievements in behalf of the Rural Letter Carriers of the county. A committee, composed of President N. A. Wallen; Secretary, R E. Porter, of Millington; Bros T. H. Cecil, of Barclay, and G.W. Atwell, of Kennedyville, were appointed to visit Elkton on Thanksgiving day for the purpose of holding a get-together meeting and endeavor to gather a number of Cecil country carriers into the fold, who have not as yet been enrolled. After selecting Centreville for the next annual convention of February 22, 1915, the meeting adjourned.

NEW GAME LAWS

A Resume of Recently Passed Acts Regulating Shooting.—Of Interest to Sportsmen.

Hunters should not forget that a number of changes have been made in the Maryland Game laws since last year, and should especially remember that in addition to the State and County laws, the Federal regulations protect most species of the migratory birds and that it takes precedence of all State and County laws. The open seasons of Kent county are as follows:

Quail, rabbit, woodcock and squirrel, November 10 to December 24th.

Doves, August 15 to December 24th.

Wilson or jacksnipe, September 1st to December 15th.

Yellowlegs, golden and black-breasted plover, September 1st to December 15th.

Sora or water rail, September 10th to November 1.

Wood or summer duck, September 10th to December 31st.

Reed bird, September 10th to November 1.

Ducks and geese, November 1 to January 31st.

Under the Federal laws, swan, cranes, curlews and all the shore birds except the black breasted and golden plover, jacksnipe, woodcock and yellow legs are protected at all seasons until 1918.

The new State law, and also the Federal regulations, prohibit the shooting of any game between sunset and sunrise. Dove hunters should make special note of this new law, as they have been in the habit of shooting these birds long after sundown. The penalty for violations under the State law is $25 and under the Federal law $100 for each offense.

Hunting is prohibited on Sundays and when there is snow on the ground sufficient to track game.

A new local law for Kent county prohibits the sale of all game to dealers for sale or shipment out of the county. It may only be sold to a resident of the county for his personal use,

FENCED IN NEGRO NEIGHBOR

A fence eight feet high has been built on East Lake street, Middletown, by Jacob M. Foster, one of the most respectable and aged citizens, because Isaac Taylor, a superintendent of telegraph lines on the Pennsylvania Railroad, sold his house to a negro preacher, Rev. W. A. Hubbard, presiding elder of this district. Mr. Foster, a next-door neighbor, has erected an eight-foot fence from the sidewalk to his house. J. Thomas Roberts also says he will erect one on the east side of the Taylor residence, twelve feet high; this will fence the presiding elder in quite effectively. This part of the town is a good residence district and the citizens generally are sorry to see the negroes get a foothold that far in town.

Grocer—"There's your butter, tea and baking powder. Now, as to soap, I want you to try this instead of Fels-Naptha. It's said to be the best in the market."

Anty Drudge—"Mr. Grocer, unload this basket. I don't know but what you've given me a fraud butter or tea or a hurtful baking powder. But I do know you are trying to fool me into buying an imitation of Fels-Naptha Soap. After this I'll go where I can trust the grocer to give me what I ask for."

Fels-Naptha Soap does the work of loosening dirt from clothes in cool or lukewarm water instead of leaving it for you to do on the washboard. With Fels-Naptha there's no backache, no long bending over the washtub.

Your clothes will wear twice as long, because boiling or scalding softens the fiber and rots the clothes. And they'll be whiter and cleaner.

Use Fels-Naptha Soap according to the simple directions on the red and green wrapper.
