Where Shall I Go This Evening ?

To The Candy Kitchen

Hot weather has started and the taste for good, cool ice-cream is returning and the only place to get it is at the CANDY KITCHEN.

Our friends have noticed what a nice clean parlor we keep and have favored us all along with an ever-increasing share of their patronage. There is but one reason for this increase. We keep the cleanest, purest cream in town, as well as the best line of purely Home-made Candies.

Everything good to eat can be obtained at our parlors, and there is no better way to spend a few minutes these warm evenings than to come with your friends and hear the good music while you eat. New records every week.

Of course we keep a full line of cigars, cigarettes, and tobacco. We also handle all kinds of fruits in season, and we might remark that nothing but pure fresh fruits go into our ice-cream.

If there is a party, a festival, a picnic, or an excursion—remember that you can get a special discount on cream bought in large quantities. Shipped free over five gallons. This is a saving.

We are always glad to see you and your friends at all times. Come in and spend a while with us. Yours very truly,

Sick Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R. I.—"For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine."—Mrs. S. T. RICHMOND, 199 Waldo Street, Providence, R. I.

A Minister's Wife Writes:

CLOQUET, MINN.—"I have suffered very much with irregularities, pain and inflammation, but your wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has made me well and I can recommend the same to all that are troubled with these complaints."—Mrs. JENNIE AKERMAN, c/o Rev. K. AKERMAN, Cloquet, Minnesota.

From Mrs. J. D. Murdoch, Quincy, Mass.

SOUTH QUINCY, MASS.—"The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living."—Mrs. JANE D. MURDOCH, 25 Gordon St., South Quincy, Mass.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

W. C. T. U. NOTES.

The thirty-ninth annual convention of the Woman's Christian Temperance Union of Maryland was held at Salisbury on Tuesday, Wednesday and Thursday of last week in Asbury M. E. Church. One hundred and twenty-five voting members were present. Kent county was represented by Miss Ida C. Crew and by Mesdames Logue and Shafer. All the sessions were largely attended. Encouraging reports were given of the work in the departments of Loyal Legion, Evangelistic, Purity, Medical Temperance, Press Flower Missions, etc. A most effective demonstration was given by about fifty members of the Loyal Legion of Salisbury who hung on a line on the platform maps of the ten dry States, viz: North Carolina, West Virginia, Kansas, Tennessee, Maine, Virginia, Misstssippi, Georgia, Oklahoma, North Dakota. The map of Maryland was in a tub and "Uncle Sam" was vigorously rubbing the black spots in his efforts to make the whole state clean, and the children sang with vim, "Maryland's Going Dry."

At the memorial service beautiful tributes were paid to Mrs. L. M. N. Stevens, National President; to Mrs. L. M. Corey, of Kent, and to Mrs. Abrahams, of Cecil. A reception was given by the Salisbury Union to the members of the convention at the close of Wednesday night's services. On Thursday evening Rev. Don S. Colt, of Baltimore, gave a stirring temyerance address.

Mrs. Carrie V. Ray, Field Secretary of the Loyal Temperance Legion of Maryland will have charge of the Sunday morning services at Kennedyville M. P. Church on October 11th, and will give an address at Salem M. E. Church, Fairlee, the same evening. During the week she will visit the schools at Chestertown, Worton, Still Pond, Locust Grove and other points.

CHESTERTOWN WINS BANNER.

A Junior Chautauqua banner has been awarded by the Pennsylvania Chautauqua Association to the boys and girls of Chestertown, who helped to make the Chautauqua week such a successful event. Miss Ruth Lacy, who, it will be remembered, had charge of the Junior Chautauqua work here, promised that a banner was to be awarded to the best town which she visited during the summer. By the best town, she meant that town which should play the best games, sing the best songs, give the best play at end of week. She meant also that town which had enrolled the largest number of Junior Chautauquans in proportion to the population of the town, and that town which had the best order in the tent during the entire Chautauqua week.

The banner is of red felt, 30x36 inches. It is decorated with the Chautauqua seal and with the words: "Junior Chautauqua Banner, Chestertown, Md."

The banner has been sent to Miss Miriam Leaverton, who will decide where the banner is to be hung.

Rally Day at Chestertown.—The boys will need suits and overcoats this season, and Bordley & Sons extend a most cordial invitation to the parents and boys to see their large assortment of boys and children's suits and overcoats. Very attractive prices. Rally Day is your chance to call and see them. Better seize this opportunity and get fitted out for the winter, boys.

MORE AIR NEEDED HERE.

ROY H. WAITE.
Maryland Agricultural Experiment Station.

Many poultry raisers are too much afraid their chickens will not be warm enough. When the air gets a bit chilly they close all the doors and pull down the windows to keep the heat in. It's all well enough to keep the house as warm as possible, but when you attempt to get it warm by closing it up, you introduce a factor which is many times more detrimental to the birds. Fowls can't stand dampness any more than you can, and when you "bottle up" a lot of them in a close room the moisture they breathe out soon fills the air and causes a damp, disagreeable house; one that induces colds, roup, rheumatism and other ailments.

If your house is like the one in the above picture, get out your saw or axe or maul and make a good generous opening; one at least taking up half the front. Then cover it with wire netting and hinge up a muslin curtain to let down on the coldest nights, if you wish. The ventilation will then be good and the moisture will have a chance to get out.

Peach "yellows" is showing up abundantly in many Maryland orchards this season. Indications are that this disease has spread much farther south than in former years. It now occurs in all parts of Maryland except Calvert, St. Mary's, Wicomico, Worcester, and Somerset, having recently been found in Northern Charles and Dorchester Counties.

The commonest symptoms of the disease are prematurely ripened fruit with peculiar red spots, and the narrow yellow leaves that show up on some branches. All trees showing signs of the disease should be cut down and burned to prevent its further spread. The most opportune time for doing this is directly after the peach harvest. Complete distruction of the diseased trees is the surest way to keep the balance of your orchard in a healthy condition.

PUBLIC NOTICE

Merchants Enter Protest To Manufacturers of

...ABE COHEN'S...

PRICE CUTTING

On Branded Goods

The above firm needs no introduction. The community at large for years have been making their purchases at Cohen's. WHY? The answer is you buy the same goods as elsewhere for LESS MONEY.

THIS BUSINESS was started on a very small scale and has developed into an immense establishment. From its infancy to the present the very best grades and makes in all lines have been handled and sold at prices that have attracted the public. Wise shoppers travel many miles to do their buying at this store.

Merchants complain to manufacturers that they cannot do business on branded goods (as Cohen sells the same goods for less money) and insist that they shall not sell this firm their products.

We have received letters from the Bell Brand Rubber concern stating that they cannot sell us their brand unless we charge full price, also the Crystal Patent Flour. WE REFUSE TO BE DICTATED TO as to what price to sell our goods; and to convince the public that we undersell every article in our stores we will inaugurate one of the most STUPENDOUS SALES ever held in this community. We have scoured the leading markets with cash in hand, and have bought goods at prices in many instances far below the actual cost of raw material.

If you value money no not stay away. Let nothing prevent your coming, as it means dollars and cents in your pockets.

Sale Starts Monday, Oct. 12, '14

AND WILL CONTINUE TWO WEEKS

Space does not permit to quote all goods contained in this establishment. Suffice to say that the ENTIRE STOCK IS ON DISPLAY.
