250 MILES STATE ROAD.

The longest connection section of state road now completed is that between Georgetown, in the upper part of Kent county, to a point a few miles from Sharptown, just over the Nanticoke river in Wicomico county. This means that the main artery is completed through Kent, Queen Anne's, Talbot and a part of Caroline and Dorchester. Unless all calculations go wrong, Baltimore will by December 1 be connected with Beliar, Havre de Grace, Perryville, Elkton, Chesapeake City, Chestertown, Centreville, Easton, Denton, Cambridge, Hurlock, Preston, Sharptown, Salisbury, Princes Anne, Berlin, Snow Hill and Pocomoke City.

This will give a modern, highclass highway more than two hundred and fity miles in length and second in construction to no road in the United States.

Tree Warden For Chestertown And Vicinity.

Under a new State law all the trees standing within the right-of-way of public highways and along the sidewalks of incorporated towns become public shade trees, under the care and protection of the State through the State Board of Forestry. Heretofore the authority over such trees has not been clearly defined. Generally the property owner who owns the abutting property claimed them as his trees, the town or road supervisors, as the case might be, claimed a certain amount of jurisdiction because they were along the public highway or street, while the pole line companies, which have a franchise or permit to use the roads or streets, claimed that whenever such trees interfered with their wires they had the right to cut or trim them. This has led to much ill feeling and many controversies and has proven very unsatisfactory. Now the status of these trees is clearly defined, and they are recognized as part of the improvements of the road or street, belong not to the individual but to the public generally.

This new law makes it a misdemeanor for any one to cut, trim or in any way injure one of these trees without a permit from the State Board of Forestry. The purpose of the law is to prevent the multilation or reckless cutting of these trees, which add so much to the attractiveness of the streets and roadsides and are a source of comfort to the people. It takes many years to grow shade trees and they are worthy of the very best care and protection of the State.

For the town of Chestertown and the outlying sections the Governor of the State upon recommendation of the State Forester has commissioned Mr. Harry L. Boyd to act as the local Tree Warden. Every one interested in the protection of trees should co-operate with Mr. Boyd in this good work to see that the law is strictly enforced and to see that the community receives the full benefits under its provisions.

The Wheeler Bros. Circus & Famous Stampede Wild West Shows Will Be Exhibited In This City Soon.

The representatives of the Wheeler Bros. Greater Shows have completed all arrangements for the appearance of that world-famous enterprise in Chestertown on Saturday, October 17.

For more than a decade the Wheeler Bros. Circus have maintained a prominent place in the front rank of American shows because of its unusual characteristics as a circus, its essential quality of "different from other shows," its fine menagerie and its great display of the finest horses in the world. The Famous Stampede Wild West Shows, which have a world-wide reputation and which were enjoyed by many people of this country at two of the World's Fairs, are conceded to be without equal in their special line. What then may be expected when it is announced that we are to be treated to such an exhibition as the combination of these two shows? Surely the patrons of tented amusements will be justified in expecting an unusually meritorious performance, and they will see surprising exhibitions of trained animals and skillful performers such as they have never before witnessed.

Among the many features are "Tango," earth's largest living animal, a troupe of genuine Cossack Whirlwind Riders, Paris Hippodrome, Races and special engagements of the celebrated Mendaza Company of Mexican Bull Fighters in a realistic reproduction of a Genuine Mexican Bull Fight. A thrilling exhibition of nerve and agility.

Wheeler Bros. Shows will exhibit in Chestertown on Saturday, October 17, giving a grand spectacular street parade in the morning and performances in the afternoon and evening.

FREE TRIP FOR BOYS

Two Queen Anne's county boys will be sent to the Maryland Exhibit in Baltimore next month, absolutely free of charge. The generosity of the members of the Rich Neck Farmers Club will enable two county boys to go to Baltimoae and stay there for two days, witnessing the exhibits that will be shown there by farmers from all parts of Maryland. This week President W. Irving Walker, of the Rich Neck Farmers Club, conferred with County Demonstrator Hugh S. Koehler, of Centreville, and announced that these trips would be given to the two boys making the highest score in the corn exhibit at the Queen Anues County School Fair to be held in Centreville on November 5th and 6th.

The first prize to be given to the boy in Rich Neck making the highest score; the second will go to the boy any where in the county making the highest score.

Important to All Women Readers of This Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the *result* of kidney or bladder disease.

If the kidneys are in a healthy condition, they may cause the other organs to become diseased.

You may suffer a great deal with pain in the back, bearing-down feelings, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent; it makes any one so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

A good kidney medicine, possessing real healing and curative value, should be a blessing to thousands of nervous over-worked women.

Many send for a sample bottle to see what Swamp-Root, the great Kidney, Liver and Bladder Remedy will do for them. Every reader of this paper, who has not already tried it, by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., may receive sample size bottle by Parcel Post. You can purchase the regular fifty-cent and one-doliar size bottles at all drug stores.
