KENT COUNTY SUNDAY SCHOOL CONVENTION

Enthusiastic Gathering Held at St. James Last Wednesday.

VISITORS SPLENDIDLY ENTERTAINED BY HOSPITABLE WORTON CONGREGATION

Splendid Reports Made by the State Officers of the Work Being Done—Soul-Stirring Vocal And Instrumental Music—Practical Addresses by Local Workers—Fine Addresses by Miss Wilson on Elementary Work And by Rev. B. W. Kindley on Bible Study—New Officers.

The Kent County Sunday School Association convened in St. James Methodist Protestant Church last Wednesday morning and held three enthusiastic sessions. The day was ideal, the autumnal tints in nature and the clear, crisp air found a rival in the hospitality and friendly greeting which was given to all in the lovely church. The proceedings of the day also partook of the life that seemed to be about the place and all were quickened by the zest and enthusiasm of speakers and singers.

In the enforced absence of Superintendent R. G. Nicholson, his assistant, Mr. H. Stockton Startt, was at the door to greet all comers while Rev. H. B. Jester and his helpers left nothing undone for the comfort and pleasure of all. If we are to judge its result by the enthusiasm displayed and the many complimentary things said about it by the delegates and others present, we unhesitatingly pronounce it a great success in the advancement of Sunday school work in the county.

Mr. H. H. Klinefelter, who was elected president at Still Pond, was compelled to relinquish the work and go to the mountains for health, the duty of presiding falling to the lot of the Vice-President, Mr. Fred. G. Usilton, who desires to express his appreciation for the hearty co-operation of all in the program of the day. There was not an idle moment and the following splendid program was carried out:

MORNING SESSION.

Devotional Service lead by F. G. Usilton.
The Bible as a Book for Children and Guide for Men and Women, Miss Cora Middleton.
The Teacher with his Class, Prof. J. L. Smyth.
Violin Solo by Irving Smith of Rock Hall.
The Class With Its Teacher, Jos. N. Wheatley.
Sunday School Management, Rev. B. W. Kindley.
Appointment of Committees and Announcements.
Prayer and Benediction, Rev. H. B. Jester.

AFTERNOOD SESSION.

Scripture, Miss Bessie Stuart; Song and Prayer lead by John E. Barnes.
Reading of Minutes, Mrs. J. W. Urie.
Goals for the Year, Dr. L. E Barrett.
Report from Heads of Departments.
Solo by Miss Flora Wheatley.
The Sunday School at Work, Wm. T. Hague.
Solo by Master Leslie Schofield, of Still Pond, accompanied by his mother, "Just For Today."
Approved Workmen and How Secured, Rev. B. W. Kindley.
The Cradle Roll, Miss Maggie S. Wilson, Elementary Superintendent of Maryland Sunday School Association.
Prayer and Benediction, Rev. J. W. Prettyman.

EVENING SESSION.

Supper was served at 5 P. M. and at 6.30 a musical was rendered by members of the Rock Hall orchestra comprising Miss Catherine Davis, organist; Irving Smith, violin; Granville Ashley and Heliary Akers, cornetists; Paul S. Bond, trombone. Mr. J. F. Wheatley who lead the opening service added to the enjoyment by announcing several familiar hymns which were also rendered.

What The Average Sunday School Can Do, Miss Maggie Wilson.
Duet by Mrs. Merrick Clements and Miss Hallie Toulson, Miss Mabel Toulson, accompanist.
The Organized Bible Class, Rev. B. W. Kindley.
Doxology by audience.
Prayer and Benediction by Rev. F. X. Moore.

Mrs. Howard C. Jones and Mrs Lewin U. Skirven presided at the organ efficiently.

The committee on nominations reported the following which were unanimously elected:

President—Joseph N. Wheatley.
Vice President—Alfred C. Loud.
Secretary and Treasurer—Miss Emma Shafer.
Statistical Secretary—M. E. Newsome.
DEPARTMENTAL SUPERINTENDENTS.

Mrs. Jesse H. Usilton, Elementary; Mrs. Walter Hadley, Secondary; J. F. Wheatley, Adult Work; Rev. H. B. Jester, Teacher Training; Miss Bessie Stuart, Missions; Geo. A. Carroll, Temperance; Mrs. Kate Tonkin, Home and Visitation: Rev. O. B. Rice, Evangelism.

The committee on resolutions reported the following which were adopted by a rising vote:

Resolved, that we regret the illness of the President of this Association, Mr. H. H. Klinefelter, and earnestly pray God for his speedy recovery.

Resolved, that this convention send greeting to Mr. Robert G. Nicholson, the Superintendent of St. James Sunday School, wishing him a speedy recovery.

Resolved, that we, recognizing the need of trained teachers in the Sunday School, recommend where possible the establishment of Teachers Training Classes. Be it further

Resolved, that we recognize the value of the graded system of Sunday School work and recommend that it be adopted wherever possible and practicable. Be it further

Resolved, that the thanks of this Convention be extended to the people of St. James Church and community for their hearty welcome and royal entertainment, to the pastor, trustees and members of this church, for their kind invitation and for the use of their beautiful edifice in which to hold the convention, to the convention officers and committeemen for the interest and willingness they have shown in performing the duties devolving upon them, to those persons on the program who have so thoroughly done their part toward making this Sunday School Convention a success, to the Rock Hall orchestra for the fine music they have given, and finally to all who have in any way contributed toward the success of this convention.

Resolved, that each school be requested to contribute two cents per member for the support and development of county and state work, same to be paid to the Treasurer of this Association at least one month previous to the Annual Convention. If this is not paid by that time, the Treasurer is requested to communicate with the various Superintendents, requesting payment of same. Be it

Resolved, That we further recommend that this Convention send greetings to the Christian Endeavor Convention now in session in Baltimore.

The ladies of St. James served a sumptuous dinner and supper to 150 persons, the menu being right up to the standard set by these people, viz., fried chicken, salads, pig, ham, pickles, jellies, preserves, corn, beans, potatoes, biscuits, rolls, coffee, etc., etc., cake, etc. A tent was provided in which to serve the meals and there were a plenty of willing waiters and elegant food.

While the addresses by local speakers were splendid all were captivated by Miss Wilson who spoke on "The Beginners," and no teacher in elementary work should have missed it. We never graduate in proficiency in Sunday school work and especially in this department when so many progressive plans are given us today as to the best methods of getting the simple truth in the minds of our young people. Graded lessons and separate rooms for this department were strongly urged by the speaker and both are easily acquired by any school; the first by adopting the graded work in this department above all others, and the forming of a separate room by means of screen or curtain.

Time and space will not permit any excerpts from the addresses of the others on the program but they were all excellent, well prepared and enthusiastically received. The Adult Bible Class work was well presented during the evening. All schools were urged to organize Adult Bible classes. Experience demonstrates that it is one of the greatest factors in building up an interest in Sunday School work. Every member of every congregation should be in the Sunday School and a place must be provided for all. The Adult Bible Classes supply this need.

☞Make your X opposite the word DEMOCRATIC wherever it appears on the official ballot, and you will vote right. The word will appear three times on the ballot. Three X marks does the work all right.
