WASHINGTON WINS

Washington College Downs Western Maryland by Score of 7 to 0.

BALTIMORE BOY IS INJURED

Charles Lickle Dislocates Hip And Is Carried Off Field—Battle Is Hard Fought.

A forward pass from Enright to Lickle during the first five minutes of play scored the only touchdown of Saturday's game, giving Washington College a victory over its old rival, Western Maryland College, 7 to 0.

The local collegians were handicapped by Sterling's absence, due to an injury received in the Hopkins game last Saturday. Charles Harold Lickle, a Baltimore boy, filling Sterling's position at left tackle, sustained a dislocated hip at the beginning of the second quarter and was carried off the field. His injury was attended to by Dr. H. G. Simpers assisted by Dr. F. B Hines and Dr. Kingman and he is getting along very well.

The game was stubbornly fought from start to finish, but neither team showed an exceptional amount of speed. The game began by Western Maryland kicking off to Washington. Healey fumbled, but Derringer recovered it. A forward pass was tried, but failed, and on the fourth down Brown punted to Pfeffer. Western Maryland failed to make its required 10 yards and the ball went over. Washington's march to the goal was then started by Walton, who skirted left end for ten yards, and on the next down Enright shot a pass down the side line to Lickle, who was downed over the goal line after a run of 35 yards. Walton punted out Duyer received the kick. Walton then kicked goal. Washington then kicked off to Western Maryland, but the up-Staters were unable to gain, the quarter ending with Washington in possession of the ball on her 30-yard line.

During the second quarter the ball see-sawed back and forth neither side getting within striking distance of the goal. It was during this quarter that Lickle received his injury. A number of forward passes were tried during the third quarter by both sides, but none was successful. However, when Numbers slipped through the Washington line for 25 yards the Westminster boys looked dangerous. The fourth quarter began with Western Maryland fighting desperately. Washington was penalized 15 yards. Failing to gain, Numbers tried for a field goal, which barely went over the line of scrimmage, Duyer recovering it. Brown again punted out of danger.

The game ended with the ball in Western Maryland's possession in midfield. Washington's ends, Derringer and Frampton, played great ball and the kicking of Brown was also a feature.

The line-up:

Washington.	*Position.*	*Western Md.*
Frampton	Left end	A. Twigg
Lickle	Left tackle	Darner
Schelberg	Left guard	Miles
Larmore	Centre	L. Twigg
Davis (capt.)	Right guard	Alexander
Healy	Right tackle	Graefe (capt.)
Derringer	Right end	Kester
Walton	Quarterback	Pfeffer
Brown	Left halfback	Numbers
Enright	Right halfback	A. Garrett
Duyer	Fullback	Whitehurst

Substitutions.—Washington — Larmore for Lickle, Hooper for Schelberg, Boswell for Larmore, White for Derringer, Wallace for Enright. Western Maryland—Norment for A. Twigg, Kester for Darner, Coster for Miles, Bennett for Kester, Holtz for Pfeffer, Dent for A. Garrett, B. Garrett for Whitehurst.

Touchdown—Lickle. Goal from touchdown—Walton. Referee—Sayler, Hopkins. Umpire—Day, Mount St. Mary's. Head linesman—Beck, Washington. Time of quarters—15 and 12 minutes.

Coach Thomas Kibler witnessed the St. John's-M. A. C. football game in Annapolis on Tuesday last. Both of these teams will play Washington in the near future.

FACTORY BURNED

Hubbard Fertilizer Company's Works in Baltimore Destroyed by Fire Last Sunday Morning.

A spectacular fire, which for a time threatened the entire plant of the Hubbard Fertilizer Company's works at the foot of Clinton street, Canton, burned to the ground the large structure on the east side of the street shortly before 3 o'clock Sunday morning.

So intense was the heat at one time that two gondolas loaded with bags of nitrate of soda, some 50 feet away, caught fire and exploded. The crash was so terrific that windows were shattered more than 200 feet distant.

W. H. Chapman, superintendent of the company, said that he suspected the blaze was of incendiary origin. He put the loss at $100,000.

Sunday morning very early Mr. Wilbur W. Hubbard, vice-president and half owner of the Hubbard Fertilizer Company, was called up from Baltimore and told of the fire, and he and Mr. D B. Ford immediately motored to Elkton, tood the train and in 3½ hours were on the ground where the fire was. Mr. Hubbard returned home on Sunday night again and reports that after talking with his partner and his associates there, the best estimate they could make was that the total loss was $115,000 00. They had over $70,000 00 worth of material in the building and the new building that was destroyed cost $46,000.00 two years ago, besides the new machinery therein. Mr. Hubbard says the plant was insured, and whereas he cannot state positively, he hopes the risk was practically covered.

21,976 Fords Sold in September.

The Ford Motor Company announces that in the month of September there were sold and delivered 21,976 Ford cars. This was a gain of 11,479 cars over September 1913. This is significant, not only because it shows that the Ford production is rapidly being increased to meet the stupendous influx of orders, but also because it demonstrates that the Ford Motor Company is maintaining the 300,000 car schedule necessary to give Ford purchasers between August 1st, 1914, and August 1st, 1915, a share in Ford profits.
