You all know what a PILOT is and if you were to go to sea you would take one with you. We have made it possible for you to take a PILOT ELECTRIC DRIVING LAMP with you when you go out at night. Fits on the buggy and looks like an auto lamp; uses ordinary dry cells and is moderate in price. Why run the risks attendant upon driving at night when you can so easily make it safe? UNUSUAL OUTBREAK

A Dozen Persons Stricken With Fever After Partaking of a Thanksgiving Dinner at Mr. Robert Kennedy's, Kennedyville.

A remarkable outbreak of typhoid fever has stirred the community of Kennedyville and no conclusion has yet been reached as to its origin. Mr. and Mrs. Robert Kennedy, of Kennedyville, gave a Thanksgiving dinner to the family and a few friends numbering 48 in all and something eaten on this happy occasion caused the fever to develop. Dr. J. W. Urie, Dr. W. Frank Hines and Health Officer Jones are agreed that it must have originated from something that was not cooked, viz., ice cream, celery or raw oysters. It is hoped that the exact origin may be found.

The following persons who were present at the dinner are now quite ill with typhoid fever: Mr. Robert Kennedy, the host; a German employed on the farm and who was sent to the hospital Wednesday; Miss Nellie Jones, daughter of Mr. Thomas Jones; Harry and Miss Regina Rasin, children of Mr. and Mrs. Richard Rasin; Samuel Deshane, Mr. Thomas Vandyke and son, Robert; Mrs. Ralph Vandyke, and little daughter; Miss Lillian Hicks, daughter of Mr. and Mrs. Samuel Hicks, of Chestertown.

We are glad to report all these patients as under the best of care and the whole community are anxious for their early recovery.
