PRESIDENTIAL BEE BEGINS BUZZING

Because of The Three-year Rule of The M. P. Conference it is Expected That Rev. Dr. Bowers Will Retire And His Successor Elected In April—Rev. Dr. Graham And Rev. Dr. Gill In The Field.

Presidential candidates for the Annual Conference of the Methodist Protestant Church are being discussed and already, there are several favorites in the field. Rev. John S. Bowers, the incumbent, who is expected to retire automatically because of the three-year rule at the next session of the Conference, has made one of the most efficient executives the church has ever had, and his retirement will be regretted by many of the ministers, as well as the churches over which he has had supervision.

Among those whose names are being mentioned in connection with the office are: Rev. George W. Haddaway pastor of Starr Methodist Protestant Church, Garrison and Mont Alto avenues; Rev. Walter R. Graham, pastor of the Methodist Protestant Church in Chestertown, Md., and Rev. J. M. Gill, of Seattle, Washington State. Rev. Dr. Gill formerly was pastor of the Rhode Island Avenue Church in a fashionable part of Washington, but for the last few years has been pastor of First Methodist Protestant Church in Seattle, having been loaned to that charge by the Home Mission Board of the church, as the church is an independent one In view of the fact that the Rev. Mr. Haddaway has been pastor of the local church for the last 13 years and is on the eve of building a new $40,000 church in Walbrook, it is hardly likely that he would be willing to leave the work here at this time. He is one of the leading ministers of the denomination and very popular with the ministers, especially the younger set.

Up to the time Dr. Bowers was elected president of the Conference the presidential term had been five years, but just before Rev. J. M. Sheridan retired as president three years ago, thinking that a five-year term was hardly justice to the other ministers, the Conference made it a rule that after the retirement of Dr. Sheridan the term should be only three years. The next session of the Annual Conference will be held in the Rhode Island Church, Washington, next April —Americain.

Auto Collides With Team

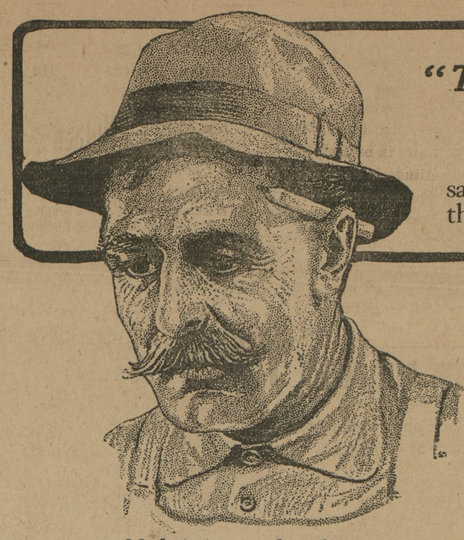

While returning from Church Hill late Thursday evening the team of Mr. Tilghman Rhodes, of near Brown's Corner, collided with the automobile of Mr. McWhorter, of Chestertown, who with his wife and two other persons were returning to their homes in Chestertown.

The accident was due to the fact that the lights on Mr. McWhorter's car, which had been acting badly for some time, had gone out when only a few yards from the team and Mr. McWhorter did not see the team ahead of him.

The horse was knocked down and cut about the head and feet, the front wheel of the carriage was smashed and a lady driving with Mr. Rhodes was thrown out but escaped without injury.

The shaft of the carriage penetrated the radiator of the car and the wind shield was also smashed in the collision. Mrs. McWhorter was slightly injured.

"The Thinkers of the Country Are the Tobacco Chewers"—

said one of the greatest thinkers this country ever produced.

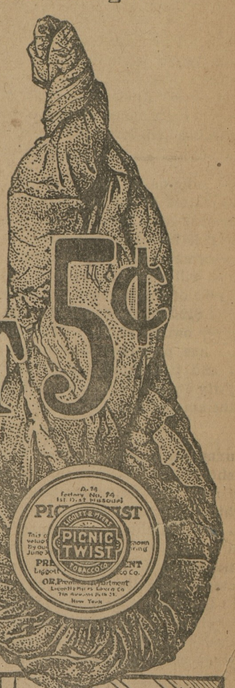

Says the Carpenter:

"Every time you see a good joint, it means some carpenter has put in some clear thought and followed it up with a steady, sure hand.

"It's when you have a *ticklish* job to do that you need a chew of PICNIC to "whet" brain and hand to a cutting edge without any dulling after effect."

You can take chew after chew of PICNIC and get all the uplift without that after effect of heavy, dark tobacco.

Only the mild mellow part of the leaf goes into this *soft,* convenient twist. That's the secret of its sweet, *long-lasting* flavor and its extraordinary mildness.
