T. Hague, in a well chosen speach, presented in behalf of the friends a barrell of flour to Rev. Mr. Cain.

Farmers Optimistic.

The outlook for farmers never was better. Wheat is soaring around $1.30 while spot corn is 75 cents and authorities predict higher prices in a few months.

The New York Sun says, "Meat at 50 cents a pound and shoes at $10 a pair are possibilities in the next two years, in the opinion of Government and stockyard experts, after taking a census of the cattle in the country and finding the visible supply less than 35,000,000 head. As this includes calves, yearlings and full-grown stock the number of animals capable of breeding is reduced to an alarmingly deficient supply.

"'Meat in America will be a rarity before the war ends, with its drain on our supply,'" said Henry J. Williamson, Government statistician in the Department of Agriculture, today.

"'Unless scientific breeding becomes general and the slaughter of calves ceases, before five years have expired America will find herself in the class of European countries that have to look to importation to supply meat.'"

THE SECRET OF SUCCESS

Genuine Merit Required to Win the People's Confidence

Have you ever stopped to reason why it is that so many products that are extesively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefitted, to those who are in need of it.

A prominenl druggist says "Take for examble Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

Accoiding to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact that it fulfils almost every wish in overcoming kidney, liver and bladder diseases, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcels Post. Address Dr. Kilmer & Co., Binghampton, N. Y., and enclose ten cents; also mention the Kent News, Chestertown, Md.
