Women Everywhere

Praise Lydia E. Pinkham's Vegetable Compound

Women from the Atlantic to the Pacific, from all sections of this great country, no city so large, no village so small but that some woman has written words of thanks for health restored by Lydia E. Pinkham's Vegetable Compound. No woman who is suffering from the ills peculiar to her sex should rest until she has given this famous remedy a trial. Is it not reasonable to believe that what it did for these women it will do for any sick woman?

Wonderful Case of Mrs. Crusen, of Bushnell, Ill.

BUSHNELL, ILL.—"I think all the trouble I have had since my marriage was caused by exposure when a young girl. My work has been housework of all kinds, and I have done milking in the cold and snow when I was too young to realize that it would hurt me. I have suffered very much with bearing down pains in my back and such miserable pains across me, and was very nervous and generally run down in health, but since I have taken Lydia E. Pinkham's Vegetable Compound my back never hurts me, my nerves are stronger, and I am gaining in health every day. I thank you for the great help I have received from your medicine, and if my letter will benefit suffering women I will be glad for you to print it."—MRS. JAMES CRUSEN, Bushnell, Illinois.

A Grateful Atlantic Coast Woman.

HODGDON, ME.—"I feel it a duty I owe to all suffering women to tell what Lydia E. Pinkham's Vegetable Compound did for me. One year ago I found myself a terrible sufferer. I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached, I had no appetite and was so nervous I could not sleep, then I would be so tired mornings that I could scarcely get around. It seemed almost impossible to move or do a bit of work and I thought I never would be any better until I submitted to an operation. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman. I had no pains, slept well, had good appetite and was fat and could do almost all my own work for a family of four. I shall always feel that I owe my good health to your medicine."—MRS. HAYWARD SOWERS, Hodgdon, Maine.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Ducking Club Entertained

Members of Ringgold's Point Ducking Club were royally entertained at dinner last Saturday afternoon at "Stephney," the beautiful home of Mr. Thomas W. Trew, on Lankford bay. Wild goose, canvas-back duck, Maryland biscuits, celery, tea, coffee, pickle, etc., and a varied line of embellishments temptingly prepared under the supervision of the hostess, Miss Mary Groome Trew, the daughter of Mr. Thomas W. Trew, was freely partaken of and enjoyed.

Besides the members of the Club, the following were present: Messrs. W. B. Wilmer, Lawrence Strong, Josias Price, and Benjamin F. Beck, 3rd.

Messrs. Walter B. Strong and Wm. G Smyth purchased Ringgold's Point farm several years ago and a ducking club formed, known as Ringgold's Point Ducking Club, with the following members: Walter B. Strong, Thomas W. Trew, Charles A. Jessop and Joseph Brice, of Lankford: Wm. G. Smyth and T. Barclay Kilbourn, of Fairlee; Dr. Merritt Brice, of Millington; Hynson Beck, of Tolchester, and Capt. Charles Watkins, of Eastern Neck Island.

The club has erected a commodious bungalow on the shore, built blinds and have made extensive improvements and as a result have probably the best equipped and most up-to-date ducking shore on the river.

They start baiting long before the season opens and as a consequence they enjoy to the fullest extent this fine sport all during the season, reaping a harvest of game.

The genial Capt. Charles Watkins, who has charge of the shore and bungalow, is constantly on the job, and the members go down each Monday and Friday, returning with much game.

Messrs. Thomas Trew and Lawrence Strong on Monday of last week killed a wild goose and seven canvas-backs besides a number of blackheads and whifflers.

RECEIPT OF SUPPLIES

The Woman's Federated Club of Chestertown are in receipt of the following letters in regard to the box sent to the Belgian sufferers:

December 17, 1914.

THE FEDERATED CLUB, Chestertown Md.

Dear Mrs. Hubbard: Communication with Mrs. Charles E. Rieman of Mrs. Garrett's committee, upon your letter of December 6th, those ladies who are doing such splendid work, desire that the box you have kindly consigned to Vivian C. Leftwich, Acting Belgian Consul, Baltimore, Md, as a contribution of the Woman's Federated Club of Chestertown, Md., shall go forward to the Canton Warehouse where our Belgian Relief Organization is assembling supplies. The splendid contribution in question will be appropriately distributed without fail to the intended Belgian babies and other Belgians, as you have indicated, through the American Commission on which are serving Ambassador Page, Mr. Whitlock, Minister to Belgium, and Mr. Hoover. The German Government has agreed with ours, that there shall be no interference with the distribution of donations for Belgian relief. We will all know through the newspapers when the Maryland ship delivers its contribution to our American Commission abroad, who will at once distribute its contents.

Sincerely,
DEC. W. THOM, Chairman.

December 19, 1914.

THE FEDERATED CLUB, Chestertown, Md.

Dear Mrs. Hubbard: You should have heard the enthusiasm over the report of your work when I read the list at 8 W. Madison St. this morning. Mr. Thom called me up and after a conference, the safest plan to try to carry out your wishes is to send the box by the Belgian relief ship.

The committee has written assurance from the German Government that the supplies from the United States will be delivered, so the cargoes of these ships will be reported.

A most grateful acknowledgment of your Clubs generous contribution to the Red Cross will be sent later, but I am sending these few lines to thank you.

Sincerely yours,
TAYLOR G. RIEMAN,
MRS. CHARLES E. RIEMAN.

Sprains, Bruises Stiff Muscles

Sloan's Liniment will save hours of suffering. For bruise or sprain it gives instant relief. It arrests inflammation and thus prevents more serious troubles developing. No need to rub it in—it acts at once, instantly relieving the pain, however severe it may be.

Here's Proof

Charles Johnson, P. O. Box 105, Lawton's Station, N. Y., writes: "I sprained my ankle and dislocated my left hip by falling out of a third story window six months ago. I went on crutches for four months, then I started to use some of your Liniment, according to your directions, and I must say that it is helping me wonderfully. I threw my crutches away. Only used two bottles of your Liniment and now I am walking quite well with one cane. I never will be without Sloan's Liniment."

Worton Grange Notes.

Worton Grange surely began the new year alright. Election of officers was the principle business, which resulted in the following being chosen to serve the term of one year: Master, B. F. Rash; overseer, Theodore Jewell; steward, Samuel Loller; gate-keeper, Thomas Bryan; Chaplain, C. G. Hadaway; lecturer, Ida Loller; secretary, Florence Jewell; treasurer, Harry Williams, assistant steward, Lester Carter; L. A. steward, Annie Parsons; ceres, Mamie Turner; pomona, Grace Clark; flora, Mary Parsons. All were installed with proper ceremony. Brother James T. Anthony and Sister Ida Crew being present, assisted in this work. At the close of this meeting, Sister Turner, the retiring lecturer, served all to lovely winesap apples, which was indeed a splendid treat.

Last Monday night most of the officers being in their places the various committees were appointed for the year, which promises to be a great one in the history of Worron Grange. Now let each one do his or her part to make it so.

Bro. B. F. Rash, wife and daughter, Mrs. Barney Cooper, left Tuesday morning for Wilmington, to visit their daughter, Mrs. Howard Carter, and to attend the Horticultural meeting in that city.

We are sorry to report that several of our members have been very sick and hope for their speedy recovery. Among them are Bro. Geo. T. Williams and Bro. Jos. Atwell.

Several application blanks were taken out at our last meeting, which means that we are to have some fun in the near future.

TALBOT COUNTIANS STAND TO LOSE $5,000 TO $10,000

A large number of the people of Talbot county are greatly disturbed because of the non-arrival of remittances to cover shipments of turkeys some of them made to New York as long ago as Dec. 9th.

The Gazette telephone to its New York correspondent to investigate the condition of the firm under suspicion. The reply received was that there were no complaints found against the firm refused to make any statement. It is understood that last year the firm was quoted by commercial agencies as worth $20,000 and with credit good. This year they are rated at $2,000, with credit poor.

Amoung the Talbot Countians who are wondering whether they are going to have any turkey money this year are Charles Bishop, Willoughby; Harry M. Hopkins, Cordova; J. G. Slaughter, Willoughby; C. M. Willis, Longwoods; Mrs. Pardee, near Chapel; Thomas Quimby, Wye Landing; I. Price Mullikin, Mrs. Eugene Mullikin and others. It is estimated that the value of the property shipped the doubted firm from this county is between $5,000 and $10,000.

ANDY BANNON'S NET

Andy Bannon forgot last spring to lift his hoop net, duly marked with a metal tag. The down run of ice and swelling Susquehanna was a better provider for Andy The combination lifted Andy's net for him and placed it upon the river shore. Here's what Andy found in the net: One pocketbook, containing $1.75; one German carp, weighing 13½ lbs; three black bass, aggregating 6¾ pounds; one diamond-back terrapin and one muskrat.

In addition there was found in the netting one good fishing rig, consisting of an 18-ounce rod and reel, 150 yards of No. 18 Cuttyhunk line and a standard spoon and hook for snaring Susquehanna rock. Andy is the man who once upon a time snared a real live otter in his net.

THE Board of Governors of the Eastern Shore Society has cut wine from the menu of the annual banquet of that society which will be held at the Rennert on Jan. 20 Robert P. Graham, Secretary of State, will be toast-master. Gov. Goldsborough, Mayor Preston, F. Hopkins Smith, a Marylander and famous author, and others will make addresses.
