The New Year

Will It Bring You Prosperity and Good Luck or Poverty and Adversity?

We Know This:

That with those who keep a Bank Account prosperity has a better chance.

Why not start a Bank Account with the New Year? Be able when the year is old to say, with the prosperous ones: "Financially, the past year has been the best year of my life."

Don't be placed with the "quitter," who complains about "hard times and heavy taxes."

THE KENT COUNTY SAVINGS BANK has administered to the wants of its customers through good times and hard times, doing its best always to render substantial and efficient service.

You are invited to associate yourself with us as a depositor and grow with us.

A breakfast for the wedding party will follow at the Stafford immediately after the ceremony and in the afternoon there will be a reception at the Stafford from 2.30 to 4 o'clock for the members of the two families and intimate friends. The groom is the son of Mrs. Mary B. Mann, of Baltimore, and a nephew of Mr. Philip G. Wilmer and of Miss Alice Wilmer, of Chestertown.

WEDDING NOTES

Miss Miriam Vansant, daughter of Mr. and Mrs. John B. Vansant, of Kent county and a teacher at the Catonsville High School, will be married to Mr. Columbus Hellen, of Walbrook, on February 9. The ceremony will be performed by the Rev. John R. Edwards, pastor of Walbrook Methodist Episcopal Church. The bride and groom will make their home at Walbrook.

"Fairlee Grove" Home Burned

The brick residence on "Fairlee Grove" farm, also known as the Beauman farm, was burned early Tuesday morning. This farm is owned and tenanted by Mr. Preston Crew who was alone in the house at the time, his wife being in New York on business. Mr. Crew was aroused by smoke and was unable to save anything. The dwelling is insured in Edgar P. Beck's agency for $2450 and the furniture in James G. Beck's agency for $1,000.

SALE OF HILLSDEN FARM

The heirs of the late Wilbur W Eliason, of Chestertown, have sold to John A. Arrigdale, through the Peninsula Farm Agency, Col. Oswald Tilghman and Dr. George F. Nickerson, of Eastontheir "Hillsden" farm near Willoughbys Station, Queen Anne County.

This farm is one of the most fertile tracts of land in Talbot County, and is located immediately along the northern boundary.

Hillsden farm contains over 800 acres. It sold for $40 per acre. Mr. Arrigdale, who is a resident of Miles River Neck, proposes engaging extensively in the cultivation of alfalfa on this land, which, by reason of its being light, loamy soil, is especially adapted to this puprose.

FOOLING HIS HENS

Kent county poultry raisers are up-to-date in nearly every way, but here is a new wrinkle which is commended to them:

Fooling his hens into believing the short winter days last as long as the summer days by using an artificial lighting system, George U. Newell, an auditor in Chicago, is increasing the egg production of his poultry yards from a daily average of 26 eggs to a daily average of 83 eggs. Observing his chickens going to roost as soon as dusk began to fall in winter, Newell installed electric lights by which he fed his hens up to 8 o'clock p. m.

"Food and exercise are essential to egg production," he says. "Shortly before 8 p. m. I gradually reduce the light power to give the appearance of dusk. I light the hennery at 6 a. m." Newell has 150 "egg machines," as he calls his hens.

THE Kent County Teachers' Association will meet in Assembly Hall of Chestertown High School on Friday, Feb. 5, 1915. Session will be from 11 a. m. to 1 p. m. The following programme has been arranged:

Opening Exercises, Music Prayer, Roll Call.

Receiver For Road Builder.—William J. O'Brien, Jr., was on Monday appointed receiver for the assets of Matthew J. Best, a road builder, living in Philadelphia, but doing business at Galena, Kent county, and Chesapeake City, Cecil county, Md., after Mr. Best had been adjudicated a bankrupt, upon his own application. According to the schedules filed by Mr. Best with his petition he has liabilities of $14,618 and assets of $10,203. The assets consist principally of cement, sand and gravel.

THE farmers and their wives in Kent county will have a chance to go to "school" in Harper's Hall, Still Pond, beginning February 16th and continuing for a week. The sessions will be at 1 A. M. and 2 P. M., and will be in charge of professors from the Md. Agricultural College, being a part of the Extension Bureau of the College.
