

"The Thinkers of the Country Are the Tobacco Chewers"—

said one of the greatest thinkers this country ever produced.

Says the Banker:

"The daily care of other people's money takes heavy toll from a man's nerves and brain. The banker who can find a tobacco that will lend keenness and calmness to his brain without exacting compound interest from his nerves, has found something to be thankful for."

PICNIC TWIST is just that sort of tobacco—full of mildness and natural sweetness that you can't find in heavy tobacco and without a heavy tobacco's 'come back' on the nerves.

Only the mild mellow part of the leaf goes into the soft, convenient PICNIC TWISTS. Isn't that the sort of a chew *you* want?

FAIR DATES FIXED FOR D. AND M. CIRCUIT

The second annual meeting of the Delmarvia Fair and Racing Circuit was held at D. J. Ward's office, Salisbury, on February 2nd, 1915. The meeting was called to order by the President, E. Lee LeCompte. The following members of the circuit were represented: Wilmington, Chestertown, Cambridge, Pocomoke, Tasley, Salisbury and Easton. The same officers were re-elected for the year 1915.

It was decided that the Horse Review and Trotter and Pacer, the same turf journals as used last year, be used again this year as an advertising medium, and that all members of the circuit to have their adv'ts. prepared and in this office of the Secretary, D. J. Ward, on or before June 15th, and their race card complete and in by May, 1, in order to get the booklets out early.

Easton's representative, Mr. Duff, ask to withdraw their membership in view of the fact that the Chautauqua was booked to have a meeting in Easton the date that would be assigned for their fair, if they should stay in the circuit. It was finally decided that Easton might in all probability be able to continue in the circuit by accepting later dates following Wilmington's fall meeting.

The following dates were filled for all the members of the circuit, provided Wilmington would accept the week of July 20th. If they had to accept the week of 27, all members of the circuit to fall back one week in rotation.

Wilmington—July 20-23.
Chestertown—July 27-30.
Pocomoke—August 11-14.
Salisbury— August 17-20.
Cambridge—August 24-27.
Timonium—August 31, Sept. 4.
Wilmington—Sept. 10-14.
Easton—Sept 21-25, provided she continues member.

HOME-RUN BAKER QUITS

Homerun Baker, the ball player who has represented Maryland in three world's series, has quit baseball.

This startling announcement was made this week by Connie Mack in a speech at the eleventh annual banquet of the Philadelphia sporting writers. That Mack's words startled the experts is putting it mildly.

When Mack was called upon to respond to a toast he said:

"Gentlemen, I am going to make an announcement, and it is a very important one. J. Franklin Baker has quit baseball.

"He is now out of it for good. I have been anticipating this move for the past two seasons. In order to protect myself and the club I signed Baker to a three-year contract in 1914, but before the home-run hero would sign he had this proviso inserted: 'If at any time I desire to quit the game, I can do so and not be blacklisted.'"

Baker has been contemplating retiring from the game for several seasons. It was reported last winter that he had made up his mind to quit, but only recently when he visited Baltimore the Trappe player told some of his friends that he was through. All who heard him thought that Frank would show up again next spring, but Mack's announcement, no doubt, is final.

The retirement of Baker puts another dent in the Athletics' $100,000 infield. Now only Stuffy McInnis and Jack Barry remain. The departure of Baker will injure the White Elephants, for Baker's long and numerous hits won many a ball game for that wonderful Philadelphia machine. The Athletics are being shot to pieces just as the famous old Cubs' team was when it lost prestige in the world's series of 1910.

Baker has saved his money and has quite enough put aside to keep the wolf away from the door. He owns several farms down on the Eastern Shore, and no doubt will spend the remainder of his days as a farmer and business man close by the old homestead at Trappe.

LINCOLN BIRTHDAY PARTY

On Friday evening, Feb. 12th, a party was held at School No. 2, District No. 7, in honor of Abraham Lincoln, one of our martyred heroes. Mrs. Phillips, an admirer of Lincoln, presented the school with a beautiful white iced cake, decorated with candles to form the letter L, while the teacher, Miss Wheat, treated to ice-cream. The candles were lighted and after three wishes were made, one in honor of Lincoln, one for each mother and one for the teacher, the primary children blew them out. After that refreshments were served and then a game was played. The children gave Mrs. Phillips a rising vote of thanks for her kindness. The children went home at 3.30 o'clock, declaring it a very enjoyable affair.

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

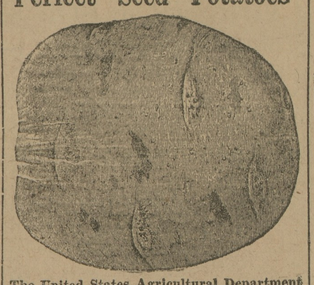

Richmond, Pa. — "When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound." — Mrs. FRANK CLARK, 3146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women

for forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.

BOLGIANO'S Perfect Seed Potatoes

The United States Agricultural Department places their Tag of Inspection and Approval on every sack of SEED POTATOES Purchased From J. BOLGIANO & SON.

CERTIFICATE OF QUALITY.

This is to certify that I have had charge of all the Seed Potatoes grown for J. Bolgiano & Son, during this growing season. I have been with them since April 15th; looked after the selecting of their seed and the treating of the same, have also had charge of the spraying during the growing season. There was nothing planted but the very best selected seed, and nothing has been left undone to have them right. The crop is now being harvested, and the results of my work are most satisfactory. We are harvesting one of the largest crops ever grown in Aroostock County, Maine, and of the finest quality, free from any disease and true to name. I spent some time in Washington, D. C., with the Horticultural Board before coming here and their ideas of producing FIRST CLASS SEED have been carried out to the letter for J. Bolgiano & Son.
