Davis & Satterfield

CROSS ST., NEAR DEPOT

Your Fencing Operations are now receiving your attention.

WHEN YOU BUY FENCING THE BEST IS ALWAYS THE CHEAPEST.

The AMERICAN FENCE is the best fence for all purposes. The galvanizing is better than it was years past. The steel is covered more uniformly, making the galvanized coating more ELASTIC than before.

This fence is heavier in guage than other makes of fence and yet it is no higher in price. 40 rods of 10 bar fence is now 54 pounds heavier than it was a few years ago. Stays in all our Field Fence are never more than 12 inches apart, in some fences they are 14 inches apart.

Another important thing is all our fence is kept in good warehouses, none of it ever stored in the weather. Many styles and sizes to meet your requirements.

LAWN FENCE. Globe Lawn in different styles and sizes. Gates to match, either walk or drive.

STEEL FENCE POSTS have been in use since 1898. They are cheaper in the end than wood posts, every one is uniform, and the same size. Two men can set 200 line posts a day. No staples are required as all fastings come on the posts. Galvanized both inside and out, makes them last for many years.

END AND CORNER POSTS also carried in stock.

Anything in the fence line you need we can supply.

RITCHIE IN THE FIELD

Announced Candidacy For Nomination Attoney-General—Organization To Support Him—Smith Men Expected To Line Up For Harrington, Ritchie And McMullen—Latter Is Lewis' Friend.

(Baltimore Sun of Wednesday.)

Albert C. Ritchie yesterday announced his candidacy for the Democratic nomination for Attoney-General. Mr. Ritchie, it is confidently expected, will have the support of the Smith organization for the nomination. In fact, his announcement is regarded as a step in the framing of the State organization ticket.

There is not the slighest doubt in the minds of those in touch with the situation that Senator Smith and his close advisers have determined finally to support Comptroller Emerson C. Harrington for the Gubernatorial nomination; and it now looks as if the organization ticket will be completed by the selection of Hugh A. McMullen, of Cumberland, as the candidate for the Comptrollership nomination. Mr. McMullen can have the organization support, it is believed, if he is willing to run, and the idea has been that he is rather anxious to be a candidate if conditions are propitious. An announcement from him may be expected at any time.

Well Balanced Geographically.

The Harrington - Ritchie - McMullen ticket would be balanced georgaphically. Mr. Harrington is from the Eastern Shore, Mr. Ritchie from the city and Mr. McMullen from Western Maryland. It has been a tenet of polities in Maryland for many yeary that geography should be considered in selecting a State ticket.

The organization people believe that ticket planned by them not only is balanced geographically, but that the man selected from each of the several sections is the one who can bring the most strength therefrom. Mr. Harrington, it is held, is politically the strongest Eastern Shoreman, Mr. Ritchie has recognized vote-getting ability in Baltimore city and Mr. McMullen is regarded as one of the most influential men in his part of the State.

He is friendly with many of the organization people and, through his intimacy with Congressman David J. Lewis, is on excellent terms with a considerable part of the distinctly progressive element of Western Maryland. It is hoped by the leaders that he will be able to offset Senator Lee's appeal to that element.

Mr. Ritchie's Statement.

In announcing his candidacy, Mr. Ritchie said:

"I am very grateful to those of my friends in Baltimore and from diffesent parts of the State who have recently been kind enough to suggest that I enter the Democratic primaries for the nomination for Attorney-General."

"The office is the highest legal position which the State can give to a lawyer who desires to remain in active practice at the bar. It also has an importance apart from its purely professional side. An enormous amount of constructive legislation has recently been put upon the statute books. It should be the task of our next administration not so much to enact new laws as to direct the intelligent administration of the laws we have, to see that the various State commissions are brought into harmony with each other and made to co-ordinate in their respective fields of work, and to endeavor to perfect the efficiency of our State Government as a whole with the greatest economy which is consistent with the public good. The office of Attorney-General affords an opportunity to take some part in helping to work out these problems.

"I have decided to submit my name to the Democratic voters of Maryland at the primary election next fall as a candidate for the nomination for Attorney-General.

Won Friends In Gas Fight.

Mr. Ritchie has been regarded for some time as the probable choice of the organization for the nomination for Attorney-General and the choice of the party, too. As a matter of fact, he is the choice of the organization chiefly because the leaders believe that he has a strength with the party that will be helpful in the organization's fight.

He demonstrated such legal ability and stout-hearted courage in his gas fights as to win thousands of friends and admirers. He made the fight as people's counsel of the Public Service Commission that brought about the reduction in the price of gas from 90 cents to 80 cents and a reduction also in the rates for electricity. Later, as a citizen, and at his own expense, he made a fight before the commission to compel the Consolidated Gas Electric Light and Power Company to either maintain the gas standards prevailing prior to the rate reduction or to reduce the rates again.

Mr. Ritchie married Miss Elizabeth Catherine Baker, a daughter of Bernard N. Baker. They live at 1224 St. Paul street.

THE DEATH ROLL

Miss Charlotte Manning, the third daughter of Dr. and Mrs. Thomas B. Wilson, died at the Maryland General Hospital Monday evening, after an operation for appendicitis. The deceased was born in Kent county, was educated at Mt. St. Agnes College, Mt. Washington, and after graduating there in 1906, she spent the greater part of her time in Baltimore, where she leaves a large circle of friends. The body was brought to Kent county Wednesday and interment at Rock Hall Thursday morning, Rev. James T. Urner officiating. The bearers were Arthur Uttrich, Harry Skirven, Ringgold Jones, Wm. Camp and Walter Hadaway.

DANIEL MOORE GREEN.

Daniel M. Green died at his home near Sudlersville last Friday afternoon of pneumonia after a short illness of a few days, Age 32. The deceased was the oldest son of Mr. and Mrs. John Green. He leaves a widow and two daughters, Sarah and Madeline. The widow before marriage was Miss Elsie Rebecca Anderson daugnter of Mr. and Mrs. Wm. C. Anderson of Kent. He also leaves his father and mother, six sisters and four brothers to mourn his death. Funeral services were held at his late home Sunday afternoon at two o'cleck conducted by the pastor of the Southern Methodist Church, Church Hill. Interment in Church Hill cemetery. The Pall bearers were his brothers and five cousins. Undertaker Brown had charge funeral.

WEDDING NOTE

A quiet wedding was solemnized at 8 o'clock Wednesday evening last at Emmanuel P. E. Church, Chestertown. Miss Emma Price France, daughter of Mr. Thomas D. France, of Chestertown, and Mr. Albert Henry Porter, of New York, son of Mr. Joseph Porter, of Kent, were the contracting parties. The bride walked to the alter with her father who gave her in marriage. There were no attendants and no music. Dr. Henry B. Martin performed the ceremony in the presence of the family and only a few intimate friends. The bride wore a suit of white gaberdine with hat to match, with corsage bouquet of white sweet peas and lillies of the valley and carried a white prayer book. They left after the ceremony by automobile for Wilmington and the north. The wedding was a very quiet one on account of the recent death of thebride's mother.

GRANGE NOTES.

Fairlee Grange held a special meeting on Wednesday, 24th. It being so near Maryland Day, the song of "Maryland, My Maryland" was sung as the opening chorus. Reading by Sister Ida Crew on "The Green Fields of Kent." Solo by Sister Caddie Kilbourn, "The Rosary." The Garner, read by Sister Josephine Morris, was full of good food for thought and many "flings" at the men. An original poem on the Lecturer was read by Sister Lena Anderson. Chorus, "Happy Peasants." Reading by Sister Mary Morris on 'Caesar as a Road Builder." Recitation by little Sara Watson. Bro. Jess' Quartette. Bro. W. G. Smyth gave a most excellent talk on "Rural Credit." giving an insight into the condition of the farmers' position with the banks, and that the Government is not doing fair by the farmers, and encouraging all to urge our Congressman to look into the matter. The National Grange is endorsing this movement also. Bro. Corey gave a good talk on "The Ruts of the Farmer." Sister Annie Usilton read a paper on "Household Ruts." Sister Lizzie Smyth had an interesting paper on "Ruts in the Grange." Solo and duet by Sisters Ida Crew and Mollie Hudson. We had with us quite a few visitors from Worton Grange.

Worton Grange held its usual weekly meeting last Monday night in Grange Hall at 8 p. m. Several of our members are still kept at home on account of sickness to themselves or members of their families, but, as all are convalescent we are looking for a large attendance next week.

At this meeting two new members are to be taken into our order, and as this is the last meeting of the month, the ladies will please us very much with refreshments of ice cream and cake. Last Monday night after the usual order of business, the lecturer proceeded to entertain us with a pleasing programme, which opened with singing followed by reading by several members, Sister Ethyl Cooper opened an interesting discussion on flies and mosquitoes and the best way to get rid of them.

Sisters Annie Rash, Mary Hadaway and Mamie Turner told how they disposed of their eggs and poultry during the summer. Bro. Rash and Bro. Hadaway told us what they thought the garden was worth in dollars and cts. to the farmer, and I am sure the ladies fully agreed with them. This programme was of course interspersed with music and singing and we then closed to meet again next Monday night at 8 o'clock sharp.
