VOL. 76. CHESTERTOWN, MD., SATURDAY, APRIL 17, 1915. NO 48

Davis & Satterfield

CROSS ST., NEAR DEPOT

Your Fencing Operations are now receiving your attention.

WHEN YOU BUY FENCING THE BEST IS ALWAYS THE CHEAPEST.

The AMERICAN FENCE is the best fence for all purposes. The galvanizing is better than it was years past. The steel is covered more uniformly, making the galvanized coating more ELASTIC than before.

This fence is heavier in guage than other makes of fence and yet it is no higher in price. 40 rods of 10 bar fence is now 54 pounds heavier than it was a few years ago. Stays in all our Field Fence are never more than 12 inches apart, in some fences they are 14 inches apart.

Another important thing is all our fence is kept in good warehouses, none of it ever stored in the weather. Many styles and sizes to meet your requirements.

LAWN FENCE. Globe Lawn in different styles and sizes. Gates to match, either walk or drive.

STEEL FENCE POSTS have been in use since 1898. They are cheaper in the end than wood posts, every one is uniform, and the same size. Two men can set 200 line posts a day. No staples are required as all fastings come on the posts. Galvanized both inside and out, makes them last for many years.

END AND CORNER POSTS also carried in stock.

Anything in the fence line you need we can supply.

DEATHS

Dr. Horace Wilfred Nicholson died at the home of his father, Mr. Robert G. Nicholson, near Chestertown, early on Wednesday morning, after a long illness, in his 35th year. The deceased had all that human skill could do at his command, while at his bedside loving hands of sisters and friends ministered to his every wish. He was the embodiment of the Nicholson spirit—ease of manner, kindness of heart and the soul of honor—and a bright and prosperous career as a physician was cut off in the bud.

Dr. Nicholson graduated at Washington College in 1902 and at the College of Physicians and Surgeons, in Baltimore, in 1906. He practiced at Mercy Hospital for a year, then a year at Bay View, another year at an Eye and Ear Hospital in Baltimore, thus gaining information and practice which is invaluable to a young doctor. It was while practicing in Baltimore that his tonsils became infected followed by rheumatism, which caused a long illness. He recovered sufficiently to go to Mt. Clements, Michigan, where he regained his strength and returned home. After a rest he went to Salisbury, where he opened an office. His old weakness of the heart overtook him and he was compelled to return to his father's home, where, after three weeks illness, he died as stated. For five years Dr. Nicholson had been aware of his trouble, but he pushed on with indomitable courage and hope. He is survived by a devoted father, two loving sisters and three faithful brothers.

The funeral took place yesterday, interment in Chester cemetery, Dr. F. T. Little and Rev. E. P. Jester officiating. The bearers were Messrs. Robert J., Harry B. and Chas. B. Nicholson, brothers; A. Earle Nicholson, Dr. Harry G. Simpers and Lewin U. Skirven; Charles L. Dodd, undertaker.

Mr. John Hamer Russell, a native of Chestertown, but for a number of years past residing in Baltimore, died at his home in that city on Thursday aged 78 years. Funeral and interment on Saturday. The deceased was a brother of Messrs. Wm. Geo. and Lewin L. Russell, and the late James A., and Miss Hester Russell. He is survived by a widow and one daughter.

Mr. Lewis P. Atwell, a former County Commissioner and a prominent Republican, died at his home, near Sassafras, on Tuesday evening, of Brights disease. He leaves a widow and two children, besides a number of relatives. Funeral services were held Friday, with interment in Townsend cemetery.

Mr. John A. Sparks died suddenly on Tuesday at the home of Mr. Mansin near Crumpton, aged 66 years. The deceased was well known in Chestertown having often been in town with potatoes and other truck.

Mr. Wm. E. Morgan, a well-known resident of this county, died at the home of his brother, Robert C., in Galena, on Thursday, aged 80, of pneumonia. The deceased was especially well known down the county having made his home with Mrs. Louis C. Ayres for many years. The funeral will take place today at 2 P. M interment in Galena.

MURDER IN FIRST DEGREE

Verdict Passed Upon Benjamin Davis For Killing Wife.

Benjamin E Davis, of Rock Hall, was convicted Tuesday afternoon in the Circuit Court at Towson of murder in the first degree for the killing of his wife, whom he shot at St. Denis on January 28th. The prisoner elected to be tried by the court and the case was heard by Judges Frank I. Duncan and Allan McLane. In announcing the verdict of the court, Judge Duncan said that the case had been very carefully considered, especially with a view to giving all possible advantage to the prisoner, as under the law he was entitled to the benefit of any reasonable doubt, but, he said, the court found it impossible to reach any other verdict than that the prisoner was clearly guilty of murder in the first degree.

Davis, when he heard the verdict, bowed his head and shook with emotion. Judge Duncan said that sentence would be suspended for three days in order that C. Gus Grason and John D. C. Duncan, Jr., counsel for the defense, might file any motions which they may desire. Under the law the court can either impose the death penalty on Davis or sentence him to imprisonment for life.

Davis testified in his own behalf and claimed that the night before the day of the tragedy he had been drinking heavily and that he had no recollection of having shot his wife, and that all he could remember of the affair was seeing his wife fall.

When Howard Davis, the brother of the prisoner, testified that Davis and his wife had appeared to be affectionate toward each other, the prisoner broke down and cried aloud.

CONTRACT AWARDED

W. S. & A. M. Culp Receives Contract For Building New School In Chestertown.

The committee having in charge the building of a new school in Chestertown opened the following bids Wednesday night and awarded the contract to W. S. & A. M. Culp:

W. S. & A. M. Culp	$14,756.70
W. T. Pippin	15,490.00
George S. Lane, Queenstown	17,958.00
W. H. Workman, Milton, Del.	19,022.63
V. Mercantee & Son, Wilmington	22,850.00

This contract includes plumbing, steam heating, electric lights installed, cement walk, etc. The building will be erected on the Ford lot near the College and will be commenced at once.

Other bids for schools will be opened next Wednesday.

Great Temperance Mass Meeting

A meeting in the interest of state and national prohibition will be held at the Lyceum Theatre, Chestertown, on Friday, May 7th, at 2.30 p. m.

The speaker will be the Hon. Malcolm R. Patterson, former Governor of Tennessee and former member of Congress.

Mr. Patterson's address carries a thrill that moves the hearts of his hearers. His denunciation of the liquor traffic is tremendous. The story of his own conversion from a friend of booze to a friend of prohibition reads like a page from the life of Saul of Tarsus.

The meetings are public and no admission will be charged. Everybody is invited.

PASTOR AT FAIRLEE INJURED

While at conference the Rev. John White, who was assigned to Fairlee and Worton M. E. Churches, a brother of the Rev. W. L. White and the father of the Rev. Leonard White and the Rev. Frank White, had his hand accidentally cut in the swinging door of the church at Laurel. Later the wound became infected and Mr. White's arm began to swell and turn dark. A physician was immediately summoned and medical aid rendered. But the blood poisoning had set in and for two days it looked as though the injury would prove fatal. The Rev. W. L. White, who had left Laurel, was communicated with and immediately returned when he learned of his brother's condition. The two sons of the injured pastor were also in Laurel. Fortunately, however, Mr. White's condition took a turn for the better and he is now rapidly recovering.

SIGNS TO POINT WAY

Maryland Auto Club And State Road Commission to Erect Permanent Ones on State Road.

Some time during the month of April or the early part of May workmen from the Automobile Club of Maryland and the State Road Commission will be in Kent county posting signs. These signs will serve a double purpose. They will be located at danger points along the state road, warning autoists of treacherous corners or abrupt turns and will also bear the name of the town to which the road leads.

The movement for these signs was started by the Maryland Automobile Club. The Club proposed to place them on all roads within a radius of sixty miles of Baltimore. The State Road Commission was so favorably impressed with the plan it announced that no road would be slighted. In sections outside the sixty mile zone, the tate Road Commission will erect the signs.

One of the most agreeable features of these signs will be their absolute permancy. Special iron posts will be erected to hold the signs firmly in position.

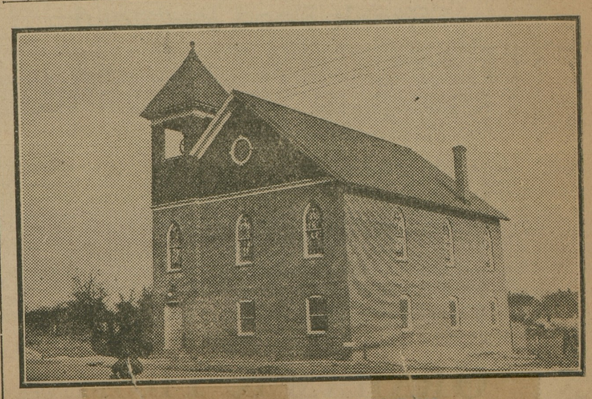

The signs will be black, with a yellow arrow, over which will appear the name of the town to which the arrow points. Beneath this will be the word "Danger."

The signs are already being posted in Western Maryland.

THE James White house on College avenue recently purchased by Washington College was sold this week to Mrs. W. B Stafford. The house will be removed to Cross street near the Stafford livery stables and made into a home for Mr. and Mrs. Stafford. The White lot will be cleared off and made a part of the Washington College campus. This will make a great improvement to this section of Chestertown.

The Old Bethel Church.
