KENNEDYVILLE.

Workmen are digging out the foundation and cellar of the new school building and the contractor, Mr. Workman expects to soon have a force of men here and begin the erection of the house which it is hoped will be completed and furnished by the time school opens for the fall term.

Mother's day was celebrated in the churches here on Sunday last.

We are indeed sorry Rev. Mr. Clews is not in his usual good health, he being able to preach only one Sunday.

Miss Margaret Harris, of near Betterton, is visiting her aunt, Mrs, Lulu Dukes.

Dr. and Mrs. James W. Urie are spending this week in New York City.

The following will be the order of service in the Methodist Protestant church here on Sunday next: Sunday school 9 30 a. m., preaching 10.30 a. m. and 8 p. m. by pastor, Rev. Frank S. Cain; Christian Endeavor 7.30 p. m.

Mrs. John H. Price and sons, Leland and Hazel, from Warwick, and Mrs. G. J. Hill, wife of Rev. G. J. Hill, of Centreville, were guests of Rev. and Mrs. Frank S. Cain on Sunday last.

Miss Grace Sylvester was the guest of Rev. and Mus. Frank S. Cain for the week-end.

Miss Eva Jewell is spending a few days with her parents, Mr. and Mrs. Wm. Jewell.

Mr. and Mrs. L. A. Pennington are entertaning his mother.

Rev. Frank S. Cain visited his mother the past week, who is quite ill at her home near Cockeysville Md. Owing to age and complication of diseases, the doctor gives no hopes of her recovery.

Mrs. Frank Miller is visiting her former home in Frederick county.

Miss Lillian Hicks and Mr. Charles Clendaniel were guests at the home of Miss Nelle Jones on Sunday last.

Mr. W. T. Baxter has returned to Baltimore after spending a few days at home.

FARMERS' CLUB MEETING

The Still Pond Farmers Club met at the home of Mr. F. H. Cornelius.

Mrs. Pennington opened the discussion, "Is Domestic Economy a subject that should be taught in the public schools?" She said no, it should be taught at home and the time in school devoted more to spelling, reading and writing. Mrs. Evelyn Harris said it should be taught in the schools She said it was a much broader subject than is commonly believed. It not only includes cooking, but teaches economy of time, energy, material and money used in the home. Mrs. J. S. Harris said she was glad her granddaughters were being taught Domestic Science because it opened their eyes as to what their duties would be in future years. Mrs. Nichols favored it because it is the only place where many girls can get that knowledge. It teaches that domestic work is not degrading but honorable.

The value of the telephone was next considered. Most of the members of the club considered it a necessary labor saving machine. They could get along without like their grandfathers did, but they could get along very much better with it.

The cost of raising cows was next discussed. Some thought they could be bought for less money than it cost to raise them on account of the high cost of feed.

The next meeting will be at Mr. E. A. Corey's Thursday, May 27th.

BASE BALL NOTES

Still Pond defeated Double Creek on their own grounds Saturday.

John Rolph was in fine form Saturday when he went against Golts at that town and struck out thirteen of them, Chestertown winning by the score of 9 to 2. Blackway and Rolph carried off the batting honors, the former getting four hits and the latter three.

With Phillips twirling and Bunting receiving, the second team of Washington College easily defeated the Wicomico High School Friday afternoon at Washington Field, the score being 7 to 1.

Kennedyville defeated the Chestertown team Friday in a close game, the score being 5 to 2. Batteries—Chestertown, Davis and Robinson; Kennedyville, Cain and Hill.

For five and a half innings at Newark Friday W. C. walked away with Delaware College, but in the sixth inning Hoch, pitching for Delaware, hit a homer with three on, which put them in the lead and finally defeated W. C. by the score of 9 to 6.

Western Maryland College was defeated at Chestertown Saturday by score of 4 to 1. Enright was simply invincible and held the mountaineers down to three scattered hits. For six innings neither side made a run.

The High School Team Galena defeated Massey last Saturday 9 to 0. Johnson pitched his fourth straight victory with 2 shutouts. Galena—Johnson p., Steel, c; Massey—Cox and Roe p., Shelton, c.
