Dr. Brice, of Millington, was summoned as soon as it was discovered that she had taken poison and did everything possible to relieve her, but it is reported that her condition is growing worse. Her father is Samuel Cahall, a carpenter.

Miss Cahall will assign no reason for her act except that she was tired of living and wanted to die. She attended evening service on Sunday night and when she reached home appeared in the best of spirits, but early Monday morning was found suffering from the effects of the poison.
