STATE'S PRETTIEST GIRL IS SELECTED

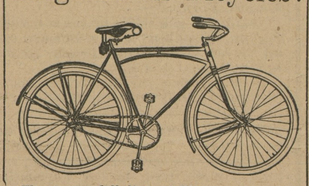

Miss Clara M. McAbee, of Frederick county, has been selected from among nearly 900 pretty girls of the State as the prettiest in Maryland.

Her photograph was among the large number submitted to the Baltimore Evening News in a Beauty Contest, the prize for which is to be a trip to the Panama-Pacific Exposition and other points in the great West.

The photographs were of young ladies from throughout Baltimore City and from all over the State. The News secured the services of five prominent citizens of Baltimore as judges. The judges inspected all the photographs and eliminated all but 20, among whom was Miss Minnye Sachs, of Chestertown. Invitations were sent by The News to the young ladies so determined upon to a tea at the Hotel Stafford, where they met the judges. The latter, after much deliberation, decided upon Miss McAbee. She will leave for California June 3rd.

We know you like good, pure Ice-Cream, and you should do so

Pure Ice Cream! Has the thought ever entered your mind, while enjoying a plate of cream, under what conditions it was manufactured?

Did you ever investigate the plant in which the cream you have been in the habit of buying is made?

Do you appreciate the fact that there are different qualities of Ice Cream sold at exactly the same price that good, pure cream can be obtained for?

To produce absolutely pure, wholesome Ice Cream, the manufacturing plant and general conditions must be sanitary from the foundation. Cleanliness must be the watchword. Good material the substance. Careful and clean help in attendance.

Ice Cream is a Pure Food Product—a Wholesome Product—an Appetizing Product—if you know that is manufactured under absolute cleanly conditions.

Ice Cream manufactured by the Chestertown Candy Kitchen at their establishment on the corner of High and Cross Streets, is made under strict sanitary conditions, from the best products the markets afford, and cost you no more than the inferior grades sold elsewhere.

The Chestertown Candy Kitchen solicits your business for home use. They serve the family trade as well as dispense their Pure Ice Cream and Fancy Ices in boxes or packed, Soda Waters, Fancy Sundaes, etc., at their store at High and Cross Streets.
