BALTIMORE'S BEST STORE

Hochschild, Kohn & Co.

Howard and Lexington Streets

Baltimore's Best Store is the Store With a Smile

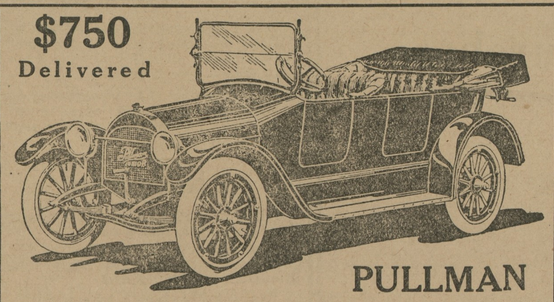

No, the store itself doesn't smile, but everybody in it does. We have here a store family of nearly 1400 contented, happy people. Contented, because they are receiving a fair compensation for their services—a compensation which they themselves regulate in proportion to their own effort and efficiency. Happy, because they are fairly treated, and because their only concern is to see that every customer is given courteous, honest, helpful service.

It is a store which you will like to visit—not the cold, awe-inspiring business machine which many department stores are, but a human store—a store with a personality—an organization of nearly 1400 souls with but the single purpose of serving you well—and smilingly.
