KENT COUNTIAN IN THE SOUTH

Mr. Walter Truitt, Formerly of Kent, Writes of His New Home For Our Readers.

We live on the banks of the Homosassa river 7 miles from the Gulf of Mexico, 2 miles from the mineral Spring. Have plenty of fruit and vegetables the year round. We have no winter, no frost, and raise bananas, oranges and pineapples. Plenty of fish of all kinds in the river, oysters in abundance and within 10 miles of deer, bear, wild duck, wild turkey, and quail. Are having summer weather now 98 in the shade at 4 P. M, but we have nice cool nights and always sleep. We have roses and flowers the year round. In the winter the tourists from all over the North come to spend the winter. We have a 350 a day hotel can accommodate 500 people, and boarding houses, churches and schools. We have been in Florida 5 years. Mr. Truit is railroad agent for the A. C. L, postmaster and notorary public of this place. He was an invalid when we came here but is well and sound, having gained 20 lbs this summer. Mr. Truitt was born and raised in Millington, Md., and was railroad agent for the Penna. R. R. Co. at Blacks, Md., for 12 years. There is no prettier place to be found than Kent county, Md., but give me Florida, the land of sunshine and flowers the year round.

Yours very truly,
WALTER TRUITT,
Homosassa, Fla.
