AUTOMOBILE ACCIDENT

As a result of being run down by an automobile on the state road in Queen Annes, near Chestertown, Sunday night at about ten o'clock, Miss Louise Werstern, of Baltimore, now lies at the home of Mr. and Mrs. Joseph Lewis, corner Cross and Cannon streets, in a very serious condition. She has one rib broken and her back and shoulders are bruised considerably. Dr. H. G. Simpers is attending her.

Miss Western, in company with Mr. Wright Wiltbanks, of near Kennedyville, left the home of Mr. Lewis, where she spends the summer each year, at about seven o'clock for a drive toward Centreville. On their return, when in front of the land of Mr. Harry Hodgkin, they were approached by the automobile of Capt. Joseph Robinson, a prominent tomato buyer, who is well known all over the Eastern Shore.

A collision occurred the occupants being thrown out, Miss Werstern sustaining severe injuries, while Mr. Wiltbanks escaped unhurt. The carriage was considerably damaged. The horse acted admirably.

Capt. Robinson says his lights had nearly gone out some minutes since and that he was feeling his way slowly along when he approached the above team and that he thought he had given them plenty of room in passing.

Capt. Robinson stopped his car and brought the injured lady to town. She was taken at once to Mr. Lewis' home where a doctor was summoned who did all that could be done for her.

A Buick auto went over an embankment near Betterton Saturday night. While the incline was about twelve feet the car did not turn over nor was it damaged to any extent. No one was hurt. The road was narrow at that point and running close to the edge of the road, a sandbank caved in. It was almost a miracle, however that no one was hurt.

FRANK BAKER ALMOST CERTAIN TO BE SOLD.

Home Run King At Shibe Park And Rumor Of Sale Is Revived.

Frank Baker was at Shibe Park yesterday afternoon, says the Evening Ledger of July 30, and the rumor that he was to be sold has been revived, and there is probably some ground for it this time. While the Athletics were in the west, it is said that Manager Mack held many consultations with Western club owners.

There is not a chance of Baker ever playing with the Athletics, as Manager Mack declares that he does not want the Trappe slugger after the wrangle this spring, but it is also unlikely that he will remain in retirement much longer.

If Baker is not sold before the close of the present season to a club that is willing to meet the salary demands of the Home-Run-King, he will be a free agent, according to the ruling of Judge Bissell, of Buffalo, in the Chase case.

Chairman Herrman, of the National Commission, admitted that there was a rule of organized ball that made a player a free agent if he did not play for a year. This ruling was upheld by the National Association of Minor League clubs also, and it was through this rule that the St. Louis Browns base their claims on Sisler.

There would no doubt be an unwritten law that would keep Baker out of organized ball, but he would be free to sign with the Federal League without fear of restraint from the courts, even though his contract with the Athletics calls for his services in 1916. It is not likely that organized ball will permit a star of Baker's calibre to depart without making some effort to hold him.

When Baker was asked whether he had come to Philadelphia to talk over this subject with Manager Mack, he merely stated that there was nothing new, and that there are three American League clubs bidding strongly for Baker's serverics, and that the home run king went to the Athletic's dressing rooms after the game, which is something he did not do on any of his previous trips to this city. Whether he talked to Mack in the dressing room is not known, but it is a fairly safe bet that Baker will be sold or traded within a fortnight.

BALTIMORE'S BEST STORE

Hochschild, Kohn & Co.

Howard and Lexington Streets

Baltimore's Best Store is the Store With a Smile

No, the store itself doesn't smile, but everybody in it does. We have here a store family of nearly 1400 contented, happy people. Contented, because they are receiving a fair compensation for their services—a compensation which they themselves regulate in proportion to their own effort and efficiency. Happy, because they are fairly treated, and because their only concern is to see that every customer is given courteous, honest, helpful service.

It is a store which you will like to visit—not the cold, awe-inspiring business machine which many department stores are, but a human store—a store with a personality—an organization of nearly 1400 souls with but the single purpose of serving you well—and smilingly.
