400 HEAR HARRINGTON

Rock Hall Meeting One Of Largest Ever Held At Place

Probably the largest political meeting ever held in Rock Hall heard Comptroller Emerson C. Harrington, primary candidate for the Democratic nomination for Governor, Saturday tell of his work for the passage of the Sheppard oyster bill. It was estimated that nearly 400 people were at the meeting which was held in the open air. As many of them were watermen, Mr. Harrington's story of his successful efforts to pass the Sheppard bill was received enthusiastically.

After speaking of the fight over the Sheppard bill Mr. Harrington referred to the financial condition of the State. He said that the time has come when retrenchment is imperative, and promised that if he wins the Governorship he will take positive steps to bring about economy and efficiency in the affairs of the State government. Mr. Harrington also told of giving warning, in his reports as Comptroller, of the danger of a deficit and said that he had done all that any man could to avert the trouble.

Speeches also were made by Albert C. Ritchie, candidate for the nomination Attorney-General; State Senator William W. Beck, who is candidate for renomination in this county; State Senator Carville D. Benson, of Baltimore county, and Charles G. Griebel, a member of the last House of Delegates from Baltimore City. All of the speakers commended Mr. Harrington's record and his platform. Senator Benson praised Senator Beck's work in the State Senate and said that he was one of the most industrious, faithful and influential men in that body. W. W. Clayton presided at the meeting.

A SERIES OF ACCIDENTS

Nearly All Reported Accidents Caused By Speed Mania—Pleasure Seekers Seem to Receive Most Injuries.

Mr. J. P. Abern, of Millington, and a man with a New Jersey license, the former driving a Ford, the latter a Hupmobile, crashed head on near Locust Grove Sunday, both cars being badly damaged, no one was hurt.

While "speeding" along the State road near White House farm, between Kennedyville and Chestertown Saturday, Messrs. J. E. Wooleyhand and Prettyman, and two ladies of Chesapeake City had a narrow escape when the former lost control of the machine, running it into the roadside. The machine turned completely around, hurling one of the men completely over a thorn hedge and through a wire fence, breaking down the fence. No one was badly injured, luckily.

Mr. William Ray, an employe of the telephone company at Chestertown, lies at the home of Mrs. Perry Cranor with two broken ribs, a badly cut eye and other injuries as a result of colliding with a team near Easton Saturday night at about 8.20. He was taken to Easton Hospital, but later brought home.

Mr. Chris Alevizatos, who was badly wounded about the head Thursday night of last week when the top of the big bus of Graham, Clements & Sutton struck a telephone pole and fell on its side while attempting to pass a team near Betterton, at about eleven o'clock, will recover, according to latest reports from the Easton hospital.

DEMOCRATS: If the Counties do not hang together and vote for Harrington, McMullen and Ritchie, the Counties will haug separately should Lee and the Baltimore City Royal Family win. Eternal vigilance is the price of the political liberties and independence of the Counties.

The funeral of Mrs. George, of Golt, was held at St. Dennis R. Catholic Church on Monday morning. Interment at Catholic Cemetery, Lambson.

DEMOCRATS: The Baltimore City Ring is just as wicked, just as dangerous and just as hostile to good government now as when it was supporting Gorman for Governor when Senator Blair Lee denounced it from one end of the State to the other. The Baltimore City Ring has not changed, yet Blair Lee has become its candidate, and the POLITICAL AGENT of Harry Preston, "Sonny" Mahon, "Danny" Loden, "Bob" Padgett, and "Frank" Kelley. Keep the "Royal Family" in Baltimore City out of the Counties by voting for the People's Candidates: Harrington, McMullen and Ritchie.
