SATURDAY, SEPTEMBER 11, 1915.

THE people of Kent county will have a chance next Tuesday to re-nominate HARRISON W. VICKERS, ESQ., for another term as State's Attorney. He has made an enviable record and is always on the job. *A man in Baltimore cannot efficiently fill the office.*

MR. VOTER study the ways and means of the Anti candidates and compare them with the Organization standard bearers. Contrast them man to man, judge dispassionately, and then vote for the men best equipped for office—best calculated to run this county in the interest of ALL—and not in the interest of one man—H. H. Barroll, Esq.

CHAUTAUQUA closed Sunday evening with a delightful union service. The address by Mr. Flowers on "Rebuilding the Temple" was simply great while Gov. Folk was uplifting and practical in his talk on "Soldiers of Peace." The whole program of the week was splendid and closed with a play by skilled performers. The return of Chautauqua for 1916 is assured.

DEMOCRATS: What is best for the Royal Family of Baltimore City is not good for Kent county, A vote for Harrington, McMullen and Ritchie is a vote for Kent county and against Harry Preston, "Sonny" Mahon, "Danny" Loden, "Bob" Padgett and "Frank" Kelley.

MR. PRESTON IN KENT

The Lee crowd in Kent are certainly hard pressed when they get the head of the "Royal Family" to write to voters in Kent begging support for the BARROLL ticket! Here is the letter being sent to Kent:

MAYOR'S OFFICE,
BALTIMORE, Sept, 2, 1915.

My Dear Sir: I understand that you are living in Chestertown and that you were formerly a voter in Baltimore, and am writing to say that your Baltimore city friends are deeply interested in the election of Messrs. Lee, Maloy and Copper, and the ticket known as the Barroll ticket in Kent county. I attach copy of the ticket. Baltimore City has such vast interests in the election this fall—extension of the City limits and Home Rule—that I am constrained to write you and ask your assistance and help for the people of your old home.

With belt wishes. I am,
Yours very truly,
JAMES H. PRESTON, Mayor.

Please vote for Lee and running mates.

Isn't it time for Democrats to take notice of this effort to make Preston the "King" of the State? The only way to rebuke this effort to *meddle* in our local affairs is to vote for Harrington and the Organization ticket. He says, "We want men with the City's interest at heart in the Legislature and the Governor's chair." Certainly. But where will Kent's interests be? The surest thing to do is to vote for Beck, Turner and Lewis and thereby put men in the Legislature who will not bend the knee to Preston, but who will look after the people's interest in Kent—first, last and all the time.

POLITICAL HOGGISHNESS KNOCKED.

Do not fail to come to the polls on Tuesday, September 14th, and vote for Harrington for Governor. Mr. Lee now has the highest office that the people of Maryland can give next to that of President and that is United States Senator. You elect him to uphold the hands of Woodrow Wilson and you intended that he should stay in the office to which he was elected by the will of the people. No, Mr. Lee has not resigned the United States Senatorship, but he wants to make sure that he is first elected Governor. You know a bird in the hand is worth two in the bush, and Mr. Lee, while HOLDING ONE OFFICE, is running for another, thus giving an exhibition of POLITICAL HOGGISHNESS that has never been equalled in the State of Maryland. On the other hand we have Mr. Harrington whose term expires with that of the present Governor and who has given you efficient service as State Comptroller, asking you for the nomination for Governor. Compared to Mr. Lee, who is a millionaire, Mr. Harrington is a very poor man who has worked his way up the line by sheer force of efficiency and honesty, to a position where he is respected by all factions. Therefore, Mr. Voter, you want to settle the question as to whether a man must be a millionaire in order to become Governor or whether a plain, ordinary man like Mr. Harrington can hold that office. And once more, Mr. Voter, and Taxpayer, you must remember that if Mr. Lee wins he can appoint his successor to the United States Senate who, by the way, we all believe will be Mr. Preston, of the Baltimore City Ring, but after six months the State of Maryland will have to spend about $50,000 to elect Mr. Lee's permanent successor and that this extra expense is caused by Mr. Lee's ambition to become Governor only and for no other reason. Therefore, as a TAXPAYER, you should support Mr. Harrington and thus save the cost of another primary election. Remember that the counties of Maryland are behind Mr. Harrington, and even Baltimore City has endorsed him, as it cannot trust the Baltimore City Ring who are lined up with Lee to control. Mr. Voter, do not fail to register your vote for Mr. Harrington and his whole ticket on election day, as by so doing you will be making sure that the good old Eastern Shore as well as all the counties of Maryland will retain the balance of political power in Maryland.

BARROLLISM

The issues with which the Antis have sought to bolster up their political heads are no issues at all different from those that have been before the public from the beginning of political time The point with them is to get the control of county affairs out of the hands of those whom they are not slow in calling incompetent, and placing it in the hands of those whom, they very modestly (?) call proficient in administrative ability.

The Antis are no more in favor of economy than their opponents; they like good roads no better; they have the good of the schools no closer to heart; they are no strickter temperance folk, let it be emphatically understood; they hold the oysterman no dearer in their regard; they respect the interest of the farmer no more highly—and in all matters pertaining to good government the class of men in the Organization ranks, by their very positions in this county, stand *per force*, for the very best principles of good government—indeed they *demand* it.

We are aware that comparisons are odious, but we can scarcely refrain from referring to one sericus element in the ranks of the Antis, which operates, we think, against good Democratic government. We allude to the manifest one-man power;—a man who, once allied with men who by their intellect and good judgment ever stood high in political councils, tore himself loose from any co-operative conditions, and established himself amongst a constituency that dares not have an idea opposed to its chief. Every department of the county rule in the hands of the Antis must get its coaching from headquarters and good old Kent presents the condition not of the rule of the people, but of a man approaching as near to the absolute feudal lord as it is possible to conceive of in modern civilization.

There being, then, the absence of real political issues in this campaign, the contest evolves itself largely into a question of the *personel* of the candidates.

Right in this crucial matter we rest our case with the public, as sure of a verdict as if already announced.

The men on the Organization ticket stand for every advanced principle of public polity; they represent every department of industry in the county; they have responsibilities which render them the tool of no one man; the ticket reveals a set of men in counsel with themselves, and with a large majority of the most respected men of the county, to bring about a condition of affairs calculated to work out the best interests of *all* the people; they are no menials to the will of a martinet; they are large-hearted, high-minded, and we desire nothing more than to have them studied, criticized and adjudged.

It seems to us that the greatest recommendation to this ticket is that it is a body of men *working together* intelligently for the good of the whole; it is an independent aggregation, not committed to either the successes or the failures of one domination brain. It is a ticket lined up with the responsible citizenship of this commonwealth. Its platform rests upon sanity in all things, and it does not seek to foster any spirit of revolution, temper, noise or any move indicative of factionalism. It does not consider that its political existence depends upon demagogism; neither does it claim for itself political infallibility.

It comes before the public with a sober consciousness of ability to handle the reins of government, and it modestly awaits a favorable verdict in the coming primaries.

THE organization in Kent is in fine shape and a great victory is assumed—if every man does his duty. This is a contest for Freedom. Man the guns.

THAT was a splendid Harrington meeting held at Rock Hall Saturday night. The behavior at the meeting was marred by interruptions on the part of several of Mr. Barroll's lieutenants! The most disgraceful feature is the fact that several of Mr. Barroll's candidates were standing close to the ones who were misbehaving and made no effort to preserve order. The people of Rock Hall resent this outrage and will show it at the polls next Tuesday. Wm. W. Beck, Esq., made a splendid speech and refuted every claim made by L. W. Barroll of Balto. to the satisfaction everyone. The watermen of Rock Hall and vicinity will rally to Mr. Beck's support and make a fine showing.

LEE'S MAN AT ROCK HALL

We undertand that Mr. Barroll had the pompous C. Cummings at Rock Hall last week who said in his speech that he was a working man, and had to work for the clothes that he wore and the necessities of life. That he was not an office seeker! The very day upon which he was making this statement there appeared very fortunately, in the Baltimore Sun a list of legislators paid in the last legislature, in which it appears that this very gentleman received $1,236, this being nearly twice as much as any other legislator received at that session, according to the printed statement on the front and ninth pages of the Baltimore Sun of Monday, August 9, 1915.

It is also a well-known fact that he has been sojourning for several months, at the expense of the State, at the Panama Exposition. We are also advised that he got $125 per month and $200 for expenses for his very laborious services As a matter of fact, it seems that this gentleman has been largely in the pay of the State since we can remember. There are some delusions that people like this seem never to get out of their heads, and that is that the Eastern Shoremen are a crowd of ignoramuses that can be fooled or imposed upon by any person that may be sent over here to turn the trick. The people of Kent will show their intelligence and discrimination in this as well as other matters when they are sought to be imposed upon.

VOTE FOR GEORGE SUTTON

If the voters of Kent desire to see a Republican fill part of the term of Treasurer S. G. Caldwell they will vote for Mr. Caldwell for Register of Wills. If the voters prefer a Democrat to fill out this term, then be sure and vote for Mr. George W. Sutton for Register of Wills.

Mr Caldwell is now treasurer and his term will not expire until June, 1916. If he is nominated and elected Register of Wills he will have to resign the treasureship and Gov. Goldsboro will name his successor, *not some other Governor* and you may rest assured that Goldsboro will be quick to reward some of his friends. And the Rehublicans named by Gov. Goldsboro will named a Republican deputy treasurer.

There is no necessity for this if the Democrats will nominate Mr. Sutton. Why not? Mr. Sutton is fitted in every way to fill the position, intelligent and honest, a tenant farmer and granger, a Democrat and a worker in the ranks of his party under all circumstances.

"Out of the Chrysalis"

A STORY FOR ALL THE YEAR.

By MINNIE E HICKS.

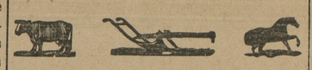

This is a story for Christmas, because, with the angels' song upon the plains of Bethlehem was struck the opening chord of the never-ending anthem of Redemption; it is a story for Easter, because it was then that Christ himself showed the way through the darkness of the tomb into the glory of the resurrection; it is a story for all the year, because, during every one of the three hundred and sixty five days, there comes to each heart some thrill of hope, some aspiration towards better things, some longing to be and to do more—all of which are but God's way of telling man that the soul is immortal. Copies of this booklet can be had at J. S. Kreeger's Jewelry Store. Price 15 cents. Address mail orders to MRS. W. T. HICKS, Chestertown. aug21-3t
