## Instructions to Voters

The Primary Election will be held on Tuesday, Sept. 14th, at the polling places designated in the official notice published elsewhere in this issue. The polls will be open at 8 A. M. and close at 6 P. M., and the conduct of the election will be similar to that of the general election, except that at the primary election the ballot must be euclosed in an official envelope obtained from the judges and be sealed before it is deposited in the ballot box; that a voter may prepare his ballot before entering the polling place, provided he uses an official sample ballot; and that the cross-marks on the ballot must be made with an ordinary black lead pencil. A cross-mark is to be made in the box to the right of the name of each person for whom the voter wishes to cast his vote.

The ballots are canvassed and counted as they were last year, and the same provisions apply to the envelope. A ballot may be prepared before entering the polling place, but upon a voter presenting himself to vote, it having been determined that he is qualified to vote, a blank official ballot shall be given him, together with the envelope. The voter then retires to one of the booths, taking with him the blank ballot, and shall there mark with a black pencil his ballot for voting, or use the ballot which he has already prepared. He then places the ballot in the envelope and seals same and hands it to one of the judges of the election, who, after detaching the coupon, deposits same in the ballot box If the envelope is unsealed, it is the duty of the judge to send the voter bach to the booth to seal same, and should the voter mutilate his envelope he is entitled to another one just as he would be to another ballot in the general election.

**Count of Ballot**

If any envelope shall be found not of the character required for this primary, or if any mark or device be found on any envelope except the initials of the Judge as required, or if any mark or device be found on any ballot, or peculiar folding, by which, in the opinion of the majority of the judges, the same may be identified so as to indicate who has cast the same, the ballot so marked or the ballot contained in the envelope so marked, or folded, or improperly substituted, shall not be counted. When more than one ballot is found in one envelope, or a ballot is found in an envelope furnished for a different political party than that for which the ballot was provided, the same shall not be counted for any person unless a cross mark made by a black pencil appears after his name. Only ballots marked with a black pencil shall be counted. If any envelope is deposited in the box inadvertently without being properly sealed, and without being detected by the judge receiving the same, or shall become unsealed in the ballot box, it shall not be thrown out for that reason. If more names are marked for any office than there are persons to be voted for, such ballots shall not be counted for such candidates or delegates, or other persons to be voted for, as the case may be, but the whole ballot shall not for that reason be rejected for candidates for other offices or positions.

On the day of the primary election the polls shall be opened at 8 a. m. and close at 6 p. m.

The returns shall be made before 12 o'clock noon of the second day after the primary in the same manner and form as is provided for in general elections.

The Bill states:

1. That for more than two years last past your Orator has been and still continues to be a resident of Maryland and now resident in Cecil county.

2. That your Orator and Bertha M. Jamison, the defendant, were married at Fremont, Pa., on or about the 10th day of July, 1902 and lived together until about the 7th day of November, 1913.

4. That, although the conduct of your Orator towards his wife, the said Bertha M. Jamison, has always been kind, affectionate and above reproach, the said Bertha M. Jamison has, without any just cause or reason, abandoned and deserted him, and has declared her intentions to live with him no longer.

5. That the said Bertha M. Jamison has committed the crime of adultery in the State of Delaware with one Clarence Swain sometime in the year 1913 and with divers other persons whose names are unknown to your Orator, at divers times and places, which offenses your Orator has never condoned.
