STATE VOTE CANDIDATES

Returns from every county in the State except Charles, where only the majority for Lee is given, show that Harrington got a popular majority over Lee of 11,164; that Ritchie got a popular majority over Maloy of 20,362 and that McMullen's majority over Copper was 11,489.

The heaviest vote was cast for Harrington, it being 62,890, to 52,726 for Lee. The vote for Ritchie was 63 538, to 43,176 for Maloy, and the vote of McMullen was 60,565. to 49,076 for Copper.

The official figures from Charles county will alter these figures somewhat, but not enough to be of importance.

Harrington gets 81 votes in the convention to 48 for Lee, or a majority of 33.

THE Republican primary is Kent resulted as follows; Weller 872; Warbutton 166 Duer 882; Maclia. State delegates, Burke 204. Davis 896, Vannort 969, White, colored, 822—last three being elected.

FOR the first time in the history of Wicomico County, and probably in the history of the State, a deceased man was elected to office, Mr. Ernest A. Toadvine, who died suddenly Monday morning, being returned elected over Mr. J. Clayton Kelly. How this political mixup will be straightened out is hard to tell. It is contended by some lawyers that there is no way for Mr. Kelly to claim the nomination, and that as Mr. Toadvine is dead there is a vacancy on the ticket which will, under the election laws, have to be filled by the Democratic State Central Committee. It is said that Mr. Kelly and his friends will claim the nomination and will fight out the question in court.

THE supplemental registration this year will begin September 28th, or six weeks before the general election. Persons not yet on the books may then be enrolled, and those who have moved must apply for transfers.

AT a meeting of the Chautauqua guarantors for 1916 held last Friday the following officers were elected: President, Wm. F. Russell; secretary, M. Wilbur Thomas; treas., Thos. S. Bordley.
