DON'T crow, keep scratching!

THERE are no factions now. We are all Democrats.

THE road builder, George Atkinson, was defeated in Cecil for Legislature.

THE KENT NEWS extra was issued at 9 A. M. and was eagerly read.

QUEEN ANNE'S goes for Harrington and Legg and the balance of the Organization ticket by over 900!

THE election in South Carolina Tuesday resulted in a majority of 20,000 for State-wide prohibition.

LLOYD won the nomination for Clerk in Talbot over Hollyday by 88. The county remained true to Harrington.

THE Democrats in Kent have 841 majority on the affiliated vote! This should mean a big victory on November the 2nd.

THE editors of the NEWS wish to express their appreciation of the commendation given to them by many citizens on the manly and clean articles published in the recent campaign. We are glad that nothing was said or written for which there needs to be apologies made.

THE Cecil News, a strong supporter of Lee, says: "The primary is over, and there are few Democrats who do not feel disappointed in some way.

"We know we do, but then this was a family affair. When a man licks his wife, he may feel a certain sense of gratification; but if she licks him, he should glory in her prowess and spunk.

"This is the way we feel about it. Our hat is off to you, Comptroller Harrington and other winners, and here's to a successful campaign."

The Republican primaries, conduc ed on the same day, resulted, as everyone expected, in a complete victory for Weller for Governor and Duer for Comptroller, while John C. Davis, William J. Vannort and George White, colored, were elected delegates to the State Convention.

The Republican vote in the county was: Weller 871, Warburton 170. The vote for Duer for Comptroller and Doub for Attorney General was practically the same as that for Weller.

Weller's sweep of the State was a clean one, as he won every county in the State outside of Cecil, where he made no fight, it being Warburton's county, and Dorchester, where Governor Goldsborough worked against him. He also carried every district in Baltimore. The State ticket, therefore, is: For Governor, O. E. Weller; Comptroller, R. F. Duer; Attorney General, A. A Doub.

Mr. George R. Gorsuch, of Baltimore, was chosen as the Gubernatorial candidate of the Prohibitionists in Baltimore Tuesday. Also N. J. Gressit, of Baltimore, Attorney General; T. E Watkins, of Mt. Airy, near Baltimore, for Comptroller.

COLLEGE opened Monday for the fall term. Many new students were enrolled.

THE State Convention will meet in Baltimore next Thursday. Messrs. R. C. Morgan, Morris Cooper and Wm. E. DeFord will represent Kent county there. It is sincerely hoped that a strong platform will be framed including economical measures, dispensing of useless offices, referendum on prohibition, introduction of business methods in the conduct of all affairs of State, etc

THE DEMOCRATIC PRIMARIES

The people of Kent county will breathe a sigh of relief that the greatest political primary in the history of the county is at an end. The result is particularly pleasing to the Organization inasmuch as they were victorious, having nominated every man on the ticket. It was a glorious victory, the Organization having put forth a fine battle front and used only fair means to win. No tricks nor clap-trap of any kind was resorted to, and therefore the winners are so much the more elated.

A large vote was polled in every precinct and no disturbance reported at any place. The registered Democratic vote is 2540, while the total vote cast was over 2500. There were over 2400 votes counted and a few in each precinct thrown out for various reasons, these being mostly Organization votes.

The returns were late, owing to the Republican ballots being counted first and then to the long ticket. It was about 11 o'clock when the returns from Betterton came in, followed by those from the first precinct of Kennedyville, both of which greatly pleased the Organization. Then after another long wait Worton was heard from, and its vote was not surprising. Then followed another precinct of the Second, which pulled down the figures of the Organization and the hopes of the Antis arose accordingly, and bets were offered that they would carry every man by 75 majority. But, when the Gibralter of the Organization sent in its returns, with majorities ranging from 123 to 186, the Antis headquarters closed for the night. Then came the old reliable First with another big help, while the count in other precincts was watched and reports made every half hour. The result looked sure for all but Sutton at 4 A. M., with Galena and Rock Hall to hear from. At 6 o'clock these came and the whole Organization ticket was victorious by good majorities.

Howard Turner lead the Organization ticket with 1317 votes, H. W. Vickers being second with 1301 votes, while C. L. Dodd got 1300.

George H. Cannan lead the Organization ticket in Chestertown, getting 159 in the first precinct and 148 in the second precinct, winning over his opponent, Thos. J. Dunn, by 184 votes.

Capt. J. Thomas Hadaway developed remarkable strength, and defeated ex-Sheriff McKee by 107 votes. Mr. McKee, who has many friends, was predicted as a winner.

Walter H. Hadaway, who was expected to put the Fifth safely in the Anti column by 250, got 99 majority over C. L Dodd in that district. The young men in that district are to be congratulated.

George W. Sutton won over Caldwell, one of the strongest men on the Anti ticket, by 27. Mr. Caldwell got just 50 votes less on Tuesday than he did in 1913.

Wm. W. Beck made a most gratifying fight, winning over Morris by 116.

All the other candidates showed personal strength and the tabulated vote in another column makes an interesting study.

It was a great victory and big enough to be shared by all.

THE Easton Ledger, a Lee supporter, says: "We believe, that participation in a Primary obligates a participant to abide by the result and we cheerfully swing into line and offer our entire support to the entire Democratic ticket as nominated. We think that we conducted a clean campaign and that our criticism of the opposing candidates was discreet so we have nothing to revoke and nothing for which to apologise.

"The Democratic nominees are the Ledger's nominees and we will use every effort to secure their success. We hope to see Democrats of all factions unite solidly and energetically so that our ticket will triumph in November."

THE new school year finds twenty-two new pupils enrolled in the Chestertown School The High school has 221 pupils and the primary dept. 120.
