ROCK HALL

This community has lost one of its most estimable ladies in the person of Mrs. J. J. Blackiston, who died last week after a long illness which she bore with the most perfect christian fortitude. Mrs. Blackiston was beloved by all who knew her. Notice of her death is found elsewhere in the NEWS.

Capt. C. W. Crouch met with quite a mishap during the storm of Friday last week. After finishing loading his pungy, Wave, at the Clift, started down the river for Baltimore, and when off Ebb Point, both masts were blown off, one falling on either side of the vessel, the bow sprit was torn out and the mainsail was badly torn. He anchored till the storm abated during the night, then Long Cove oystermen went out in their gasoline boats and towed the disabled vessel in harbor. The Wave was recently rebuilt at a cost of $400

Dr. Robert Watt, Dist. Supt. of Easton Dist. was at his best here on last Sunday before a good congregation. His text was "Ask and it shall be given you, seek and you shall find, knock and it shall be opened unto you. For every one that asketh receiveth, and he that seeketh findeth, and to him that knocketh it shall be opened."

Dr. Watts preaching here all day Sunday gave pastor Prettyman almost an all day holiday and a "sunny Monday." As a consequence, his parishioners will be treated tomorrow with two sermons of "pith and power," and nobody if possible should miss the treat.

It is thought the registration here resulted in Democratic gains.

Mrs. Hayward Ashley, who has been quite ill, is now convalescent.

MR. WILSON TO MARRY

The engagement of Mrs. Andrew Galt, of Washington, to President Woodrow Wilson was announced at the White House Wednesday night. The wedding will occur early in December in the home of the bride. She is 38 years old and has been a widow for 8 years. She is a Virginian and an Episcopal, a cultured and refined lady and of a cheerful disposition. The president is 58 years old and has been a widower just 14 months. Plans for the honeymoon have not been completed, but it was indicated today that the trip might include a visit to the San Diego Exposition.

For the third time in American history a President of the United States will take a bride. In choosing to have the ceremony performed, not in the White House, but at the home of the bride. Mr. Wilson follows a precedent set by President Tyler, who was married in New York. President Cleveland, the only other chief executive to be married while in office was married in the White House.

Not since the days of George Washington has a President of the United States been called upon to meet such a diversity of "all-important" problems as have fallen to the lot of Woodrow Wilson. The nation will be glad that the tide has turned; that he is to take from the White House something more than the remembrance of his Administration's stern necessities. He has well earned the joy his engagement brings him, and the nation congratulates him on it.

IN MEMORIAM

In sad but loving remembrance of my dear husband, JAMES G. W. HARRISON, who departed this life two years ago, 6th of October.

Sleep on dear husband, under the sod now green.
Loved and remembered though long unseen,
When our souls soar and life shadows flee—
Oh glorious thought we shall ever be with thee.

Methodist Ammunition Used

The first gun from the Methodist Crumpton charge will be fired at Union Methodist Episcopal Church Sunday night, where a great revival of old-time Methodist Religion will be started. Evangelist Walter Ford, of Delaware, will assist the pastor, Rev. C. T. Jones, in these meetings. We cordially invite the public, and especially adjure Christian aspirants to join us in this struggle for victory. 1t*

TWENTY NINE black sheep, worth an average of $1,000 apiece, will leave Baltimore Tuesday in two express cars and under the care of two expert sheep-herders for a Texas ranch, after having having spent nearly 15 months in quarantinde at this port. Twelve lambs were added to the fold in the course of the sojourn here of the Karakulas, and the value of these more than paid their upkeep. The cost of this, incidently, was about $2,000, including the wages of the sheppards.

While Southdowne sheep, with which Dr. Young expects to crossbreed the newcomers, weigh on an average of about 120 pounds, a grown Karakulas will weigh 400 pounds, and will almost equal in size the famed big-horns of the Rockies. They are the aristocrats of the whole sheep family and their hides are equal in value to the pelts of rare wild animals, a fact for which any dealer in Persian lamb garments will vouch. The colony at Turner's Station underwent two shearings, but the wool, being under quarantine as well as the sheep, had to be destroyed.

Dr. Bull's Cough Syrup is reliable. Why try an unknown medicine when this known remedy gives good results.
