IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. JOHN TETREAULT, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYRES, Box 74, Massena, N.Y.

Young Girls, Heed This Advice.

Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

CONTRASTING PICTURES

Look on this picture, then on that: Europe: Between fifteen and twenty million men in arms to slaughter one another and pull down opposing governments; two or three million killed or maimed; millions of households in mourning; the skies blackened and the earth shaken by the continual roar of artillery; the vast army of the destitute constantly increasing; national resources strained almost to the snapping point to maintain the gigantic competition in destruction; horror and anxiety on the threshold of each morning and as the gloomy watchers through each night; great areas torn and devastated and nature halted and paralyzed in her normal work of construction; the hearts of untold multitudes failing them for fear of what is still to come.

The United States: Between fifteen and twenty million men working together to upbuild their country and to promote the reign of law; no clouds in our heavens but the smoke of industry; no conflict but civic battles for ideals and no contests but peaceful contests for the improvement of government and of the conditions of life; no problem but the problem of increasing happiness and prosperity; no wasted fields and desolated homes, but a fruitful partnership between man and nature which has produced this year and last year such crops as grow only in the peaceful gardens of the Lord; and hope and strength and justice giving beauty to our days and confidence and calm to our nights.

The formal day of Thansgiving is still weeks away. But every day should be a Thanksgiving Day in a nation so blessed as ours. Surely the powers above seem to have singled us out as the special beneficiaries of their great bounty and loving-kindness.
