

**The Steel Lined "SPEED SHELLS" For Velocity and Accuracy**

Sportsmen are willing to take their chances of sport but they want certainty in their *Shells*.

Get the Remington-UMC "Arrow" and "Nitro Club" —the steel lined "Speed Shells."

The steel lining *grips* the powder—puts all the force of the explosion back of the shot. Shorter lead, less guess-work about angles—easier to get the "fast ones."

Go to the dealer who shows the *Red Ball Mark of Remington-UMC*—he can fix you up *right*.

## GALENA

Mr. Richard Redding, of Doylestown, Pa., who has been visiting his sister, Mrs. Jno. Walls, returned to his home last week.

Miss Dora Hodgkin, of Chestertown, is visiting her aunt, Mrs. John Walls.

Mrs. Katherine Hyland, who has been spending the summer with Mrs. John Barnett, of Dover, has returned to her home.

Mr. and Mrs. Jas. Hicks and little daughter, Florence Jennie, are visiting relatives in Wilmington.

The Ladies Aid Society met at the home of Mrs. Thomas McIntyre last Tuesday evening, October meeting. Quite a large crowd attended and every one enjoyed a pleasant social evening.

Mr. and Mrs. McKinsey, of North Carolina, with their two children, James and Marion, are visitiug at the home of their parents, Mr. and Mr. Thos. McIntyre.

Mrs. Ella Whitaker is visiting her daughter, Dr. Elizabeth Johnson, of Kansas.

Mr. James Davis has started building his new home on Main street.

The work is progressing nicely on the new road. The road being closed to Lambson makes a long, long drive to the station.

The Boys Club of the Junior Epworth League met at the home of the Supt., Miss C. M. Dempsey, on Monday evening and planned for the winter work, also for some good socials. Then all enjoyed a pleasant social hour with games and light refreshments.

Little Miss Dorothy Sutton, who has been quite sick, is much better at this writing.

Miss C. M. Dempsey, who has been visiting relatives in Washington, D. C., returned home on Tuesday last.

Rev. and Mrs. Enoch King, of the New Yrok Conference, are visiting their sister, Mrs. Thomas Caldwell,

Mrs. Sarah Hayes and daughter, Miss Annie, who have been spending some time with relatives, have returned to their home.

Galena is getting quite up to date, and will soon rival our sister town of Chestertown. The latest addition being a "Candy Kitchen." Mrs. Trinks is conducting the store at the old post office building.

McCAULEY—CLAUDE.

Wednesday was the occasion of the wedding of one of Galena's most popular young ladies, Miss Agnes McCauley, the daughter of Mrs. Eva McCauley, the groom being Mr. Howard Claude, the son of Dr. Claude, of Annapolis, Md.

All day long the guests arrived until 3 p. m., when the happy couple were joined in wedlock by Rev. John A. Daly, of St. Dennis' Catholic Church. The bride was attired in a brown traveling suit trimmed in fur, and was accompanied by Miss Mamie Quinn as maid of honor, also dressed in brown.

Immediately after the ceremony and reception the bridal couple accompanied by several automobiles full of friends left to meet the northbound train at Elkton, accompanied by best wishes of the entire town.

The wedding gifts were both costly and useful. The bride's many friends had already given her a handsome linen shower, but the greater share of bridal presents were of silver. More than $200 was received by the bride in gold.

## HOW HE GREW CORN

**Winner of State Medal Tells of Methods—Howard Youth Who Raised 150 Bushels On An Acre Took First Prize In 1910.**

A. Leroy Nichols, the Howard county youth who raised 150 bushels of corn on an acre of ground and was awarded the medal for Maryland at the Panama Exposition, is 18 years old and the son of Albert Nichols, of Highland.

Writing of his corn-growing methods, young Nichols said:

"The ground used was a sandy loam, with a 4-year-old sod. It was plowed 8 inches deep in the fall. Last spring 500 pounds of fertilizer, with an analysis of 3 8 2 (ammonia, available phosphoric acid and potash) was spread on it, the ground thoroughly limed and manured. It was put in the best possible order by harrowing and rolling. On May 10 the corn was planted, two grains in a hill, with hills 22 inches apart and in rows 3 feet and 8 inches distant from each other. The seed corn had been carefully selected and tested before being planted. I worked the corn four times with a harrow and hoed it once."

The medal awarded young Nichols will be sent to Governor Goldsborough from San Francisco for presentation, and the suggestion has been made to have the presentation at the Howard harvest home dinner about the middle of November, when farmers and their families will be drawn together from all over the county. Col. William S. Powell, the author of this suggestion, was active in establishing the boys' corn clubs in Howard county five years ago, and young Nichols won the first prize of $25, contributed by Colonel Powell and Henry G. Bowdoin in the contest of 1910.

Cecil county boys' corn clubs are all using the same variety of seed corn, which they call "Cecil county yellow," and expect to make it as well known in the United States as the "Boone county" and "Johnson county" varieties are now. County Agent Marsh says that the boys have this year greatly improved the corn, and that by selection and breeding it can be made the standard for Maryland and produce yields as large as any of the Western varieties in this soil and climate.
