Kent News" $1 Per Year

STATEMENT

Democrats, Independents, And All Other Voters In The County Who Have The Welfare of Their County At Heart:

Before Nov. 2nd (Election Day) give careful consideration to the following facts and figures: Analyze the registered vote of the county, weigh carefully the effect of the elections held in Maryland and in the County for generations past and fully appreciate the responsibility resting on your shoulders in the selection of your County officials and your representatives in the Legislature. Can you afford to do other than support the full Democratic ticket chosen in the county by some 2400 voters?

Now look at these figures:

Total registered vote in Kent County	**4416**
Total registered Democratic vote	**2602**
Total registered Republican vote	**1742**
Total registered Independent vote	**72**
	4416

The 2602 Democratic vote represents 2602 White voters.

The 1742 Republican vote is made up of 267 White Voters and 1475 Colored Voters.

Total Democratic vote (all white)	**2602**
Total Republican vote (white)	**267**

Total majority white voters in Democratic Party 2335

Can you afford to place Kent County in the hands of 267 White Voters backed by 1475 colored voters, who vote and act as a unit?

The Voter today is more critical than ever before in our history, is well informed, has an influence for good methods and measures and the 2602 Democratic Voters in this county are the Progressive, wide-awake responsible citizenship necessary to insure and demand of its public officials a good clean, business-like administration.

This analysis casts no reflection on the citizenship of the 267 White Republicans, many of whom are our best citizens, but emphasizes the fact that no success in public affairs is possible or permanent except by the backing of a large majority of the white citizenship.

THE new school at Betterton will be used Monday for the first time. The formal opening exercises will take place next Friday at 1.30 P. M. Dr. Thos. H. Lewis, of Western Maryland College, will be the speaker and possibly Dr. M. B. Stevens. A flag raising will also be a feature.

A BIG DAY AT ROCK HALL

On the afternoon of Saturday, October 23rd, the Rock Hall Driving and Improvement Association held its second Matinee and Tournament.

The first event was a trotting race won by T. B. Russell, owned and driven by Harry Essenwein. The veteran Kentwood, driven by his owner, John Brice, took second place and showed his old time form when he won the second heat. Chimes and Benton H, driven respectively by Charles K. Keithley and Wm. Ashley, made the race close and interesting.

T. B. Russell, Harry Essenwein	1	2	1
Kentwood, John Brice	2	1	2
Chimes, Charles Keithley	3	3	3
Benton H., Wm. Ashley	4	4	4

Time, 2.25½, 2.25 2.25.

Starter, W. T. Gale; judges, Adolph Droll, Leo Droll; timers, W. E. Parsons, Herbert Urie.

The next feature was a running race between Hermis, owned and ridden by Harry Brice, and Rock Hall Kid, owned by W. T. Gale and ridden by Edward Fowler, Rock Hall Kid winning the half mile in one minute flat.

In the Professional Tournament, Edward Fowler, Knight of Chestertown, took first prize, a purse of $10.00; Elwood Fowler, Knight of Melitota, took second, a purse of $5.00, and Charles Jacquette, Knight of Lankford, took third, a purse of $3.00. The other riders, Charles Hadaway, Knight of Rock Hall, Willie Francis, Knight of Kent, and Harry Brice, Knight of Grey's Inn, although beginners in the sport, gave the veterans a ride for the money.

At five o'clock the ringing of the Rock Hall school bell announced the beginning of the festival given by the Teachers and Patrons Club. A large crowd attended and, in spite of the cold, $160 was cleared with which to build a shed for country pupils. This Club gives splendid suppers and deserves patronage. Already it has done much to improve the school, having raised last year sufficient funds to purchase a program clock and a victrola, to wire the new building for electric lights and to erect a stage.

In the evening the Driving and Improvement Association held its Tournament and Prize Dance at which the Coronation address was ably delivered by Joseph Addison, of Prince George's county. The victorious Knights then crowned their queens—Edward Fowler crowning Mrs. Edward Fowler, Elwood Fowler crowning Mrs. Elwood Fowler, and Willie Francis crowning Miss Agnes Lewis.

Following this many contested in the Prize Dance. The judges, R. Groome Parke, of Chestertown, Charles Smith, of Baltimore, and Frank Puppe, of Rock Hall, awarded to Mr. and Mrs. Wm. Dempster, of Rock Hall, the bronze clock offered by the Driving and Improvement Association.

FISHERMEN OF KENT COUNTY

Remember What The Republicans Did For You.

MESSRS. EDITORS KENT NEWS:

In 1899 the Republicans made the fishermen get license to drift and drove them out of the bay.

Then the Republicans made the fishermen draw the stakes and get in the 800 yd. limit.

In 1902 the Republicans forced the Game Warden to go out in the bay and arrest the stake fishermen for being over 800 yds. from shore. Then what did we do? We had a trial and called on the Democrats for help and they came to our aid.

In 1903 what did the Republicans do? They forced the Game Warden on us again. They drove us away by their guns from our stakes. Then while one of the fishermen was alone the Game Warden drew a pistol on him and tried to take him from his stakes. But the fisherman would not be scared and said that he would protect his property and knew that the Democrats would stand by him.

Then the Game Warden at the point of the rifle goes to fish stakes, drove the fisherman away and then took up the nets, took them away and to this day have not returned them. This is a sample of what we may expect if the Republicans get in power.

What did the purse netters have before Senator Beck was elected? He has stood by us and it is as little as we can do to stand by him and protect our own interests.

BROTHER FISHERMAN.

And now my brother Anti Democrats we stood by you during the primary and now we expect you to stand by the Fishermen as we think the Democrats are best for us.

DEATHS

Mrs. Sallie M. Dill, wife of Mr. Wm. Dill, on the Bishop farm near Lambsons Station, died on Wednesday morning after a short illness, aged thirty years. She leaves besides a husband and two children, a father, Mr. Reese Ford, and four brothers. Funeral services will take place this Saturday at 1 o'clock at Chesterville M. E. Church South, Rev. Mr. Polk officiating, and the interment will be in Crumpton cemetery. The bearers will be Joseph, Ernest, George and William Ford, Martin and Nelson Dill. Undertaker W. H. Krusen will have charge of the funeral arrangements.

Dr. E. C. Rivers, son of Prof. Albert Rivers, formerly of Kent, was drowned Sunday in attempting to save the life of a negro servant, Sanford Denton, who was also drowned. Dr. Rivers had been duck shooting and the negro went to an island after him in a small motor boat. There was a strong wind blowing and the boat capsized. The two occupants were thrown into the water and it is believed that Dr. Rivers, who was an expert swimmer, lost his life trying to save that of the negro. A brother and a sister of Dr. Rivers (Arthur D. Rivers and Miss Lilly L. Rivers) reside in Baltimore. The body will be brought East for interment.
